Students in Asheville Schools Will Be Given Holiday for Opening of Fair.

THE DAY IS TO BE EDUCATIONAL DAY'

to Display a Special Exhibit-Other Fair News.

The city schools of Asheville will observe a full holiday on Tuesday, October 13, in order that the pupils may attend the opening of the great Western North Carolina fair, this pening day to be observed by the fair management as "Educational Day." A special program is now beschool children, which program will be announced later. It promises to contain many surprises that will be both pleasing and profitable to the hundreds of children attending Ashe-

Another interesting announcement made today by Secretary D. Harris of the Fair association is that the Girls' Tomato club of North Buncombe will have a large and attractive exhibit in Class 6. It will be displayed in the of a large pyramid and will be aces on the main floor. Mrs. John S. Le Fevre and Mrs. McKimmon will give the arrangements their personal be the center of a great deal of inter- combe county by the legislative and closure with a rush. Pieces were set est, owing to the great work accom-

will put on the pyrotechnical displays for solicitor. It is also stated that the program and the program and the program at the fair, has issued invitations to a county candidates will have something everything satisfied."

CO. HEALTH BOARD HAS IMPORTANT MEETING

Several matters of importance were taken up by the county board of health at the meeting held Thursday COTTON, IS FORECAST afternoon at the county court house. Washington, Oct. 3.—A forecast of 153,00,000 506-pound bales for 1914 has been made by the department of agriculture's crop reporting board in the season's final report which showed a condition or September 25 of 73.5 per cent of normal. That quantity of cotton makes this year's crop second in point of size ever grown in the United States.

A new ordinance providing that no pis pens shall be built within 200 feet and the pensity for a violation was put at 55 or imprisonment in jail of not less than ten days. The ordinance also provided that sanitary nuisances shall not be allowed near sources of water tity of cotton makes this year's crop second in point of size ever grown in the United States. A new ordinance providing that no The record is 15,692,000 bales grown in 1911.

The record is 15,692,000 bales within 100 feet of a public highway or public building or residence. A fine of \$10 for each and every offense was fixed. It is unlawful for any person A preliminary meeting to arrange the organization of a Ladies' Auxand the men of the reserves territorials rubbish or garbage of any description.

Copies of this ordinance will be distributed in all the county schools.
