BEST LAXATIVE FOR CHILDREN

When your baby is cross and fretful instead of the happy. laughing little dear you are accus-tomed to, in all probability the digestion has become deranged and the bowels need attention. Give it a mild laxative, dispel the irritability and bring back the happy content of babyhood.

The very best laxative for children is Dr. Caldwell's Syrup Pepsin, because it contains no opiate or narcotic drug, is pleasant tasting and acts gently, but surely, without griping or other distress. Drug-gists sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. B. Caldwell, 451 Wash-ington St., Monticello, Ill.

FAVOR ENTRY OF STATE BANKS IN NEW SYSTEM

Mary Pickford in "Such a Little Queen." Savings Bank and Trust Co. Men Favor Amendments

to Reserve Law.

Richmond, Oct. 14.-Members of the savings bank and trust company sections of the American Bankers' asdicated their attitude toward the entry of state banks into the new federal system by recommending to the general convention that a committee be appointed to take up with the reserve board and congressional committees amendments to the reserve law. The amendments proposed, would make acceptance of membership by state banks, trust companies and savings banks more attractive. Appointment of the committee was proposed by Sol Wexler of New Orleans. One need for OLD FORT'S LEADING HOTEL the entry of state banks, he said, consisted of regulations to permit them to continue business as now conducted. The proposal for the appointment of the committee will be taken up in the general convention Thursday.

FLEISHMANN COMPANY TO PURCHASE COTTON

The local branch of the Fleischmann Yeast company of New York received a letter from general headquarters yesterday, in which it was stated that it is the purpose of the company to buy ten bales of cotton at ten cents per pound in all the cities of the south where branches are con-ducted. The letter stated that it is the idea of the company to buy the cot-ton from the producer and not from speculators.

This means that the Fleischmann company, said to be the largest of its kind in the world, will spend \$500 for cotton in all of the important south-

tense drama of romance and adventure, vividly portraying the emotions of the criminal. This big detective story is in five thrilling reels and is presented by the Paramount Pictures company, having been produced by the Famous Players Fit.

Treat Tuberculosis with Lime-

HE MEDICAL RECORD (New York) of December 18, 1909, contains an exhaustive discussion of "The Treatment of Pulmonary Tuberculosis Based on the Assumption That the Dietetic Cause of the Disease Is Lime Starvation," written by Dr. John F.

In the course of this article Dr. Russell says: "The condition which is recognized as preceding the active development of tuberculosis in the adult may be considered as due to lime starvation,Among inorganic substances, lime salts appear to be of special physiological importance.....but if the salts are not in organic combination, it is difficult to suppose that the cells can appropriate them for food,"

Years of widespread use have confirmed us in the belief that the marked success of Eckman's Alterative in cases of pulmonary tuberculosis (consumption) and chronic throat and bronchial troubles is one in large measure to its content of time, which is so combined with other remedial ingredients as to be easily appropriated

Doubtless this method of compounding a vital element with other valuable agents has had much to do with the results obtained in many cases of these affections, which appear to have yielded to Eckman's Alterative. In any event, its administration has seemed to secure the desired result-and without causing digestive disturbance or discomfort.

As it contains no opiates, narcotics or habit-forming drugs, it is safe to try. Your druggist will order it for you if he is out of it, or you can send direct to the sole manufacturers.

SOUTHERN RAILWAY COMPANY

Attention is called to revised tariffs containing rates for the transportation of freight between points in North Carolina, effective October 13, 1914. These tariffs are issued in accordance with

All freight tariffe of the Southern Railway Company in conflict with the provisions of this or-

Special attention is called to the fact that in the application of this new law, many import-

der have been cancelled or revised to confirm to the rates, rules and regulations prescribed by the

ant changes and new conditions are brought about, the knowledge of which is essential to every

shipper and receiver of freight in North Carolina. Ordinarily there is but one rate between any two points within the State. Under the new law there will) as many rates between two given

points as there are available routes between such points. A new basis for making joint rates with

other lines is provided and the shipper has the right to select the shortest available route. Some

of these routes, while physically shorter than others, are longer from the standpoint of efficient

service, and the movement of freight via these unusual routes will necessarily require more time

of the shipper that the shipment move over the Southern Railway at its lawfully established rate,

even though a lower rate may be in force via another routs. For further information apply to

Shippers should in all cases insert in the bill of lading the route over which it is desired that the shipment move. If shipments are tendered to Agents of this Company and destined to a point on its own line, but without specific routing instructions, it will be assumed that it is the desire
