GEN. VILLA ORDERS DELEGATES' ARREST

U. S. Troops Likely to Remain in Vera Cruz Until Trouble Is Settled.

Washington, Oct. 23.—Advice direct from General Carranza at Mexico City to constitutionalist headquarters yesterday deny the report that delegates at Aguascalientes were arrested by order of General Villa. American troops seem sure to remain in Vera Cruz until the fraction between General Carranza and the Aguascalientes convention is adjusted, in the opinion of officials here, who base their conclusions on today's advice to the state department. Carranza has sent back to the convention the administrative question incident to withdrawing the troops, although he submitted the same question to the convention before it voted itself the supreme authority in Mexico and instructed him to comply with the proposals of the United States for protection of clerics, Mexicans who had served General Funston and others. Carranza has since questioned the sovereignty of the convention and it is believed here he resents being instructed by what he considers an advisory body.

DENIES INCREASE IN RATES FROM RALEIGH

Proposal in Regard to Knitting Products Rates to Texarkana Not Approved.

Washington, Oct. 23.—A proposed increase in the freight rates on knitting factory products at approximately 10 percent in North Carolina, in what is known as Raleigh territory, to Texarkana and nearby points, averaging about 30 cents a hundred pounds has been denied by the interstate commerce commission. "Without doubt," says the commission, "there must be some readjustment of rates to Texarkana and Shreveport from points in southeastern territory, and while we shall require the proposed rates here involved to be cancelled we do not deem it proper also to enter an order at this time for future maintenance of the present rates from Raleigh territory points." The railroads are expected to so readjust their knitting factory products rates on a higher basis as to meet the conclusions of the commission.

ITALIAN MARINES ARE LANDED AT AVLONA

London, Oct. 23.—A dispatch to the Evening News from Venice says: "A company of Italian marines landed at Avlona yesterday. Italian 47th infantry stationed at Lecce is said to be ready to embark for Avlona. It is stated that telephone communication with other parts of Albania has been severed in order to prevent the spread of the news of the landing." The Italian embassy in London has no confirmation of the foregoing.

ADDITIONAL SOCIAL AND PERSONALS

Brown—Baggs. Miss Genevieve Rutledge Brown, daughter of Mr. and Mrs. E. E. Brown, was united in marriage Wednesday at 8 o'clock, at her home on Oak street, with Sherman Jackson Baggs of Newark, O., Rev. Dr. J. C. Rowe officiating. The ceremony was witnessed by relatives and a few close friends only, but was followed by a large wedding reception given by Mr. and Mrs. Brown, which included some 200 guests. The bride's home was beautifully decorated for the wedding in a profusion of palms, potted plants, cut flowers and festoons of southern smilax, and in one of the main drawing rooms, before an improvised altar of vines and flowers, the ceremony was performed. Immediately at 8 o'clock, to the strains of the Lohengrin wedding march, played by Mrs. John Weaver, the bridal party entered and was met at the altar by Mr. Baggs and his best man, Elmo Brown, brother of the bride. First in the bridal procession came Miss Susanna Allport. Miss Brown's maid of honor, handsomely gowned in white French taffeta with lace and white velvet and carrying pink roses. After the maid of honor, two pretty little flower girls, little Miss Susanna Elizabeth Faucette, the small daughter of Dr. and Mrs. J. W. Faucette, and little Miss Frances Allport, the small daughter of Mr. and Mrs. Hobart Allport, these were Misses daintily dressed in frocks of white lingerie and wearing pink ribbons. They carried baskets of pink Killarney roses, in keeping with the color scheme of pink and white of the wedding. Next came the bride in exquisite robes of white satin, entering on the arm of her father, who gave her in marriage. Miss Brown never appeared to better advantage, her gown of white satin being trimmed with silver lace and pearls a diaphanous veil of tulle falling gracefully over her shoulders, being held in place with sprays of orange blossoms. The bride's gown was made en train and she carried a shower bouquet of orchids and lilies of the valley. The ring ceremony was used. After the ceremony, at the large wedding reception, the receiving line was composed of Mr. and Mrs. Brown, Mr. and Mrs. Baggs, Mrs. Baggs, the groom's mother, and his aunt, Mrs. Koehender of Newark, O., Miss Susanna Allport and Elmo Brown.

A salad and ice course was served. When the bride's cake was cut, Miss Mamie Chambers secured the ring, Miss Corrie Chambers the thimble and Miss Allport the dime, Mrs. Zebulon Curtis, Miss Corrie Chambers, Miss Mamie Chambers, Miss Genevieve Chandler, Mrs. Myrtle Allport and Mrs. Hobart Allport assisted in the dining room. Mrs. J. W. Faucette served every morning from 10 to 12 o'clock to those who are interested in making articles for the soldiers in the European war, and yet do not feel able to give both their time and money to the work. All finished articles are to be returned to Mrs. Minor not later than November 15. In connection with this work, it is stated that the Duchess Chauncey and Miss Shonts will be glad to teach anyone desiring to learn to crochet or knit. Any classes that may be organized are asked to call on them at Bumble Bee cottage, Albemarle park.

Mrs. William Blood, at Wren cottage, Albemarle park, has taken charge of the work in Asheville for the destitute women and children of Belgium who have been driven from their homes.

EXPLAINS DETENTION OF SHIPS AT SUEZ CANAL

Committed or Planned Hostile Acts or Refused to Leave, Is Contention.

London, Oct. 23.—Through the official press bureau the government sets forth its attitude toward the ships of an enemy in the Suez canal. Some vessels it states were detained by the Egyptian government because of hostile acts committed in the canal and some because it was believed that they contemplated hostile acts. In a third class are placed the ships which refused to leave though free passage was offered, "thus disclosing an intention to use the ports of the canal as a refuge—a measure not contemplated by the Suez canal convention." As such action might block the use of the canal by other ships it is contended that the "Egyptian government is fully justified in removing all the enemy ships which have been long enough at canal ports to show clearly that they have no intention of departing in the ordinary way."

BEST LAXATIVE FOR CHILDREN

When your baby is cross and fretful instead of the happy, laughing little dear you are accustomed to, in all probability the digestion has become deranged and the bowels need attention. Give it a mild laxative, dispel the irritability and bring back the happy content of babyhood. The very best laxative for children is Dr. Caldwell's Syrup Pepsin, because it contains no opiate or narcotic drug, is pleasant tasting and acts gently, but surely, without gripping or other distress. Drug-gists sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. B. Caldwell, 451 Washington St., Monticello, Ill.

NEWSPAPER MEN WERE GIVEN ENTERTAINMENT

D. Harris Tendered Them a Banquet Last Night—W. N. C. Fair Discussed.

The newspaper men of Asheville were entertained informally Wednesday night by D. Harris of the Western North Carolina Fair Association with a banquet at the Candy Kitchen. Covers were laid for eight and the affair proved to be a most enjoyable one to the "pencil-publi-shers"—rather the "type-writer-pou-nders." Mr. Harris gave the banquet in order to express to the local newspapers and their representative the appreciation of himself and the Fair association for the loyal support given the 1914 exposition, and to discuss plans in an informal way for the 1915 fair. He believes that, with the proper co-operation and support, next year's fair can be made the greatest in the history of the section, and the plans which he outlined last night in a general way met with the enthusiastic approval of those present. A most delightful menu was served for Mr. Harris' guests, who were: Secretary N. Buckner, of the local board of trade; John T. Evans, press correspondent; L. R. Duval, W. S. Dickson and Gray Gorham of The Gazette-News; C. H. Hites and T. B. Harris of The Citizen.

CANDIDATES SPOKE AT ALEXANDER WEDNESDAY

Democratic Nominees Heard by Representatives and an Enthusiastic Gathering.

The democratic legislative and county candidates of Buncombe county filled a speaking engagement yesterday afternoon at Alexander, speaking on the wide veranda of the old Vance hotel to a large and representative gathering from French Broad township. The chief speakers of the occasion were Zebulon Weaver, state senator; and Gallatin Roberts, representative in the lower house of the general assembly. Practically all the other candidates were present and spoke briefly to the enthusiastic audience. Messrs. Weaver and Roberts spoke at length on the excellence of the democratic administration, and as they told of what this administration has accomplished for the people of the country, in national, state and community affairs, they were frequently applauded. They outlined the platform of progress upon which they are now asking the support of the democracy of Buncombe county, and this platform met with the hearty approval of all present. An excellent indication of the enthusiasm now existing in Buncombe county over the democratic campaign was the fact that a number were present yesterday afternoon who had not attended a political meeting for years.
