PROGRAM FOR THE BIG MASS MEETING

"Community Service Week" Will Come to Fitting Close Tomorrow Morning.

DELEGATES SELECTED IN DISTRICT TODAY

Main Yesterday Interfered With the Observance of Public Roads, Grounds and Buildings.

The observance of "community service week" in Buncombe county will come to a fitting close by a large mass meeting of the citizens of the county, which will be held at the county court house tomorrow, beginning at 11 o'clock and lasting until 1. As stated yesterday, Judge E. B. Cline will give up the court room between these hours for the benefit of the mass meeting and court during that time will be held in the commissioner's room.

The following interesting program has been arranged for the meeting tomorrow, with Mayor J. E. Rankin, chairman of the Buncombe county committee, presiding:

Judge J. D. Murphy, chairman of the Buncombe county board of education, will speak on "A Six-Month School Term," while Dr. D. E. Sevier, the county health officer, will deliver an address on "The Work of the Whole-Time Health Officer." County Farm Demonstrator Agent E. D. Weaver will have as his subject: "The Work of a Farm Demonstration Agent." George S. Powell will speak on "A Better Road System" and "The Value of a County Fair," is the subject which has been assigned to R. Church Crowell, the president of the Western North Carolina Fair association. W. R. Chambers, principal of the Sand Hill high school, will speak on "A County School Commencement." John A. Nichols, chairman of the agricultural committee of the local board of trade, will deliver an address on "Stimulus Organization of Farmers and Town Interests. With Closer Co-operation." A. H. Daniel, of Candler, an officer of the Buncombe county Farmers' union, will have as his subject: "Better Rural Conditions Through Crop Diversification Instead of One-Crop System; Encouraging Home Ownership." N. Buckner, secretary of the Asheville board of trade, will speak on: "A County Farm Life School." Rev. R. R. Swope, D. D., rector of All Souls' Episcopal church, Biltmore, will talk on: "A Closer Co-operation of all Church and Sunday School Forces for Moral and Spiritual Progress." Curtis Bynum will speak on: "A Campaign for developing Livestock and Dairy Interests."

Today, which is known as "school and neighborhood improvement day" will be generally observed throughout the county. The idea of the committee is that all school and church buildings in the county be improved today and the premises of the buildings be given a thorough cleaning.

Of special interest today will be the meetings that will be held in the various school districts of the county, when delegates will be elected to attend the mass meeting at the court house tomorrow. It is planned that each delegate bring reports of the work that has been done in his or her respective community during the days of "community service week."

Yesterday, the first of the days to be observed, was a disappointment to those who were interested in carrying out the work that had been planned, for the day was to be "public roads, grounds and buildings day," but owing to the inclement weather it was impossible for any of the roads of the county to be worked yesterday, nor could the planting of shrubbery by the women, as planned, be carried out, owing to the rain. While the work of the first day could not be carried out as arranged, it is planned to center all of the efforts of the workers of the "community service week" in the meeting that will be held at the court house tomorrow, when talks will be made along all lines of civic improvement and community betterment, and it is hoped that each man and woman attending the meeting will be able to get much valuable information that will greatly help to carry out the general improvement work in the county.

"THE MAN FROM HOME" AT PRINCESS TODAY

"The latest release of the Jesse L. Lasky Feature Play company, "The Man From Home," will be shown at the Princess theater today. Charles Richman is playing the role of Daniel Voorhees Pike, the hoosier lawyer, and is assisted by Theodore Roberts, Fred Montague, Monroe Salisbury, and Dorothy Quincy.

Mr. Richman who was recently seen as the star of "Help Wanted" in New York, during his 20 years as an actor, has appeared in 40 or more important productions, principally among which were "Rose Valley," "The Senator's Vindication," "Rose of the Rancho," "The Fighting Hope," "The Revelers," "A Man's World," "One of the Family," and "Diplomacy." "Jim the Penman," "The Imposter," "The Lights O' London," "Bought and Paid For," and "Help Wanted."

In "The Man From Home," Mr. Richman will have a part admirably suited to his type and talent, and the

SHARP, STABBING PAINS

Often Tell of Weak Kidneys—
An Asheville Resident Shows You What to do.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion, may tell of weak kidneys. And there are often disturbances of the urine—too frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's Kidney Pills are prepared especially for weakened kidneys, kidney backache and urinary disorders—have proven their merit in thousands of cases. Doan's are endorsed throughout the civilized world—are recommended by Asheville residents.

G. W. Buckner, 33 Central Ave., Asheville, N. C., says: "For a long time I suffered from pains in my back and when I stooped, I had trouble in straightening. The action of my kidneys was irregular. Finally, I got Doan's Kidney Pills at Smith's Drug Store and they quickly made me well."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Dr. Buckner had. Foster-Milburn Co., Props., Buffalo, N. Y.

production in this will be an epoch making event in that the Lasky company spared no pains or expense to make this as artistic as their previous pictures have been.

The management of the Princess theater wishes to announce that half of today's proceeds will be given to the Good Samaritan society of Asheville.

YOUR OWN LIFE.

One thing there is which is yours incontestably. You have your life, and, however insignificant in power, however meager its conditions, however circumscribed its power, it is of quite inconceivable worth to you as to mankind. The whole wide world does not equal it in value, and if all external aims were realized and all your cravings satisfied you are an ignominious failure if you have not nourished and developed that which is most palpably your own.—E.
