"The Stolen Birthright." "The Stolen Birthright," a three reel Pathe-Wharton feature will be shown at the Princess theater tomorrow with favorite Pathe players in the leading roles.

East and west furnish the backgrounds for this story. It begins in the east. Two sisters are separated as babies and neither even knows that she has a sister.

In a few years the farmer goes west and takes his one of the sisters. The picture ten years later shows her as a barmaid in a cowboy tavern.

AFTER TWO YEARS

Asheville Testimony Remains Unshaken.

Time is the best test of truth. Here is an Asheville story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. G. W. Debruhl, 181 1/2 Ashland avenue, Asheville, says: "At times I was dizzy and nervous and the action of my kidneys was irregular. My back also hurt me. I didn't sleep well and mornings felt tired out. I used Doan's Kidney Pills, procured from Smith's drug store, and they acted as a tonic to my entire system, making me feel better in every way."

and he didn't know much about her past. As the story draws toward its happy ending, there are several perfectly made double exposures.

"A Change of Heart." At the Princess theater today the Electric Feature Film Company presents the pathetic story, "A Change of Heart," in two reels, and with favorite Pathe Players in the leading roles.

As the picture opens, James Mason, known to the police as "Handsome Harry," has just finished a term in prison and emerges with the determination to reform. After coming in contact with his old friends of the underworld, however, they easily persuade him to renew operations.
