BADLY DAMAGED AIRSHIP SEEN AT AMSTERDAM

London, Feb. 18 .-- A big airship believed to be of the Parseval type ap-parently badly damaged flew over Amsterdam, according to a message to Reuter's. At a height of about 600 feet the crew were evidently unable to keep the craft in a horizontal position. It assumed a verticle position and drifted in the direction of the Zuyder Zee, an arm of the North Sea, carrying with it telegraph wires with which its ropes had become entangled. Later it was sighted minus its gondola.
