

# MASS MEETING AT COURT HOUSE TONIGHT

## CITIZENS OF ASHEVILLE

Come to the Mass Meeting at the Court House Tonight at Eight O'clock and Hear the Commission Government Bill Discussed.

The object of this meet is NOT to oppose the Principles of Commission Government, but to discuss the Objectionable Features of the Proposed Bill.

COMMITTEE ON ARRANGEMENTS.

**THEATERS.**  
Change of Program at Majestic Today.  
"Two Fools There Were," a musical comedy, is the bill offered today at the Majestic by the Joe Jackson musical comedy company. The entire bill is new, every song number being new, novelties, singing and dancing numbing. The bill is full of many funny situations, and the plot is a complicated one throughout. Joe Jackson will again appear during each performance and give a talk on the

coming season in the big league, and judging from the large and appreciative audiences that have heard Joe during the first two bills presented the theater will no doubt be crowded again at the new change of program today.

**Mary Pickford at the Princess Today**  
Mary Pickford, "America's sweetheart," will be seen today at the Princess theater in the pretty costume romantic drama "Mistress Nell." This Paramount feature produced by the Famous Players Feature Film company, is considered the best that Miss Pickford has yet appeared in, and the supporting cast of characters are all stars, including magnificent stage settings, beautiful flickerless photography, and each scene in selected interior and exterior settings. There will be a special arranged musical program by the Princess orchestra.

**Relics of Old Persia**  
Shuster, the old capital of Persia, is one of Iran's wonder cities in the dawn of Persian civilization it took leading part. On the bank of the navigable river the country can boast the city gets its name from the famous ruler, Shapur, who built great irrigation dams and a noble bridge across the Kurra, now wrongly credited to the Emperor Valerian. Sixteen hundred years have left the great bridge, a quarter of a mile in length, with yawning gaps, but the water of the river runs today through the channels and tunnels made to fertilize a land that had not yet been overrun by the Arab barbarians who destroyed the culture of Persia.—London Mail.

**Barley Water.**  
Barley water is a safe and cooling drink and is nutritious as well. Put into a pitcher one large tablespoonful of well washed pearl barley, pour over it two quarts of boiling water, cover and let stand until cold. Drain off the liquid, add one-half cupful of sugar and a little nutmeg. If liked the juice of a lemon is a pleasant addition.

"Is so?" "Were many of them hanging on it?"—Exchange.

**GILMORE NOT SINCERE, SAYS JOHNSON.**

**JAMES GILMORE**  
President of the Federal Baseball League.

New York, Feb. 26.—"If Mr. Gilmore, the president of the Federal league, was sincere in his announced willingness to end the baseball war by assuming a policy of 'live and let live' we might consider it," said President Ban Johnson. "But to me Mr. Gilmore's statement lacks the ring of truth."

**WILL NOT DELAY SECOND TRIAL OF MRS. CARMAN.**

**MRS. FLORENCE CARMAN.**

Freeport, L. I., Feb. 26.—While District Attorney Lewis J. Smith refused to make any statement on the case it has been indicated that Mrs. Florence C. Carman, wife of Dr. Edwin Carman, soon will be placed on trial again for the murder of Mrs. William Bailey, who was mysteriously shot while conversing with Dr. Carman in his office. The jury disagreed at Mrs. Carman's first trial, standing ten for conviction and two for acquittal.

**INDIVIDUAL BOWLING TOURNAMENT LIKELY**

Arrangements Being Made at Y. M. C. A. for Tournament to Begin Soon.

Plans are being made for an individual ten pin tournament at the Y. M. C. A. which will very likely start within a week. The members of the association desirous of entering the contest for the individual championship of the organization have been requested to leave their names with the secretary and as soon as enough have announced their intention of competing, the contests will start. It is very likely that there will be 30 games bowled in series of three games each, which will make the contest last ten nights. This individual contest was not staged last year but the year before was won by David Hoffman, the holder of the highest aver-

age in the state telegraph league race which just closed and the captain of the Y. M. C. A. team in that league. Hoffman has held the individual championship of the association for the past several years but a number of entrants are expected to try to wrest his honors from him. It is thought that from 12 to 15 bowlers will enter the race for the coveted title and some very good games can be looked for on the alleys when the bowlers start the contest.
