GRANDMA NEVER LET HER HAIR GET GRAY
 Kept Her Locks Dark, Thick, Glossy, With Sage Tea, And Sulphur.
 When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.
 Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur and look years younger.

GET RID OF HUMORS
 Hood's Sarsaparilla is the Medicine to Take—Makes Pure Blood.
 Dry, moist, scaly tetter, pimples, boils, and other eruptions come from humors, which may be either inherited, or acquired through defective digestion and assimilation.
 To treat these eruptions with drying medicines is dangerous.
 Hood's Sarsaparilla, the old reliable medicine, helps the system to discharge the humors, and improves the digestion and assimilation.
 Get Hood's Sarsaparilla from your druggist. It may be confidently relied upon to do its work. It purifies the blood, tones the stomach, and builds up the whole system. It goes to the roots of diseases, and its beneficial results are permanent. It sets things to rights in the system. Remember to ask for Hood's Sarsaparilla, because nothing else acts like it and nothing else can take its place.

J. L. BROWN AGED 69 DIED LAST EVENING
 Prominent Farmer Had Been Ill for Some Time—Funeral Sunday.

The funeral services of J. Lowery Brown, aged 69 years, who died at his home near this city last evening, will be held Sunday morning at the Grace Methodist chapel in the New-found section and interment will follow in the adjacent cemetery. The deceased was one of the most prominent and successful farmers of this community and had been a resident of Buncombe county all his life. He was very prominent in all plans for the betterment of the community interests and served with honor in the Third or Fourth Carolina regiment in the war between the states. Mr. Brown was affiliated with the Methodist church of which he was a very consistent member. His death followed an extended illness and his condition has been such for some time past that no hopes were felt for his recovery. Although the announcement of his passing will not come as a great surprise, his death will be heard of with the keenest regret.
 Surviving the deceased are the wife, three sons, Frank, Charlie and Fred Brown, of Newfound; six daughters, Mrs. Robert Shook, Mrs. Bud Coffey, Mrs. Merrimon Glance, of Newfound; Mrs. Mollie Reeves, of Turkey Creek; Mrs. William Studer and Mrs. Robert Spurling, of Asheville; three brothers, T. Caney Brown and Wiley B. Brown, of Asheville, and C. C. Brown, of Weaverville; and two sisters, Mrs. T. D. Ray, of Juno, and Mrs. Mahalle Cassada, of Leicester.

CITY SCHOOLS JOIN GARDENING MOVEMENT
 School Board Votes Funds—Lecture by Miss Gowan This Morning.

That the Asheville city schools will take part in the home and school gardening movement is assured by the action of the school board last night which expressed its interest in the plan and appropriated \$200 to aid in financing the work.
 This morning at 10 o'clock Miss Ethel Gowan, specialist in this work from the bureau of education at Washington, gave a lecture at the Majestic theater explaining the details of carrying on gardening activities among school children, and the management of the amusement house showed pictures illustrating various phases of this plan to beautify neglected spots of ground and to encourage an industry that will help materially to reduce the cost of living. Manager E. T. Henry had invited those interested to be the guests of the Majestic; and the children who have volunteered for the work, the city school teachers, members of the school board and the Civic Betterment league, heard Miss Gowan's lecture. Those present were enthusiastic over the lecture and the pictures illustrating the gardening movement in other cities.
 The Civic Betterment league and other organizations of Asheville are expected to contribute later on to the financial support of this new department of school horticulture.

MUSICAL PROGRAM AT HENRIETTA TOMORROW
 The current events class of the Y. W. C. A. held a very interesting session last night at the Henrietta, led by Miss Erickson of the faculty of the Normal and Collegiate Institute. Various topics were discussed and the leader conducted the meeting in a very interesting manner to all present.
 The Sunday afternoon vespers services will be held as usual tomorrow afternoon at 4 o'clock at the association building and the services will be in the form of a musical program. Mrs. Julia Burdick and Miss Daley Smith will have charge of the program and a meeting of unusual interest is promised to those who attend.
 The decision to hold a meeting given over to music was reached some time ago by the officers of the association as it was thought that such a program would add to the variety of the regular Sunday afternoon services.
 All girls and women of the city are extended a very cordial invitation to be present at the musical period tomorrow afternoon.
