DON'T WAIT

Take Advantage of an Asheville Citizen's Experience.

When the back begins to ache, Don't wait until backache becomes chronic; 'Till kidney troubles develop; 'Till urinary troubles destroy night's rest.

Profit by an Asheville citizen's experience. Mrs. M. Golay, 20 Eloise St., Asheville, says: "The pains in my back were so bad that I couldn't do any sweeping. It was impossible for me to bend my body in any way without sharp pains shooting through my back and across my shoulders. Before I had used half a box of Doan's Kidney Pills, procured at Smith's Drug Store, I felt relieved and one box took away all pains. I now use Doan's Kidney Pills whenever my back feels lame and sore and they quickly help me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Golay had. Foster-Milburn Co., Props., Buffalo, N. Y.

AUTOMOBILE COLLIDES WITH TELEPHONE POLE

Three Occupants of Car Badly Bruised in Accident on Broadway Yesterday.

Three young men were badly bruised and injured, a small telephone pole was cut off close to the ground and a car considerably damaged yesterday afternoon on Broadway when an automobile going about 25 miles an hour suddenly veered to answer the steering gear and collided violently with a telephone pole opposite Starnes avenue.

J. C. Fitzgerald, the driver of the car, was badly cut on the chin and suffered several small cuts and bruises. Osborne Rump had one arm broken and a knee-cap fractured as well as suffering numerous bruises. Crawford Lauder was cut on the head and badly bruised. The radiator, the frame and the front axle of the machine were bent and damaged by the force of the collision which hurled the three men from the car.

The breaking of the steering arm is said to have caused the accident.

"DAMON AND PYTHIAS" AT MAJESTIC TODAY

At the Majestic today and tonight the attractions is "Damon and Pythias," the feature film, which has attracted great attention in all sections of the United States. The story of the picture is founded on the friendship of the two men for each other, this friendship having been used as an example for ages to denote the love of one man to another.

There are many very spectacular scenes in the picture, it is said and the entire five reels shows close study of the old story of "Damon and Pythias." The picture is being shown under the auspices and for the benefit of the local Pythias lodges and it is expected that large crowds will attend.

MASTERPIECE OF FILM WORLD AT MAJESTIC

"Cabiria," in Eight Reels to Be Attraction on Wednesday and Thursday.

The wonderful motion picture, "Cabiria," which will be shown at the Majestic, Wednesday and Thursday, has received more favorable comment, perhaps, than any picture ever filmed.

The New York Evening Mail has the following to say about "Cabiria": "Nothing so marvelous in beauty, poetic sweep and finished art has been seen on the screen as this spectacle drama of the struggle between Rome and Carthage."

"The thrill of seeing Mount Etna erupting while thousands fled along its base, the siege of Carthage, Hannibal crossing the Alps, children offered as sacrifices to the fire of Moloch and a Roman fleet burning are the scenes that make "Cabiria," a most remarkable film.

"Cabiria" is unlike any other great moving picture production in that it is perhaps the first epic work conceived with a moving picture screen as the page on which a poet writes his drama.

"Ernesto Paganini as the great slave, Maciste, seems a survival of the days of Roman gladiatorial champions. Italia Manzini, as Sophonisba, the Carthagian princess, displays not only a physical beauty and grace, but a powerful tragic art. Didaeo Chellini as Scipio, the Roman consul, and Edouard Davesnes as Hannibal are such figures as the imagination dwelling on Roman history would picture."

MOTHER'S CLUB MEETS ON TUESDAY AFTERNOON

Lecture to Students on "The Mouth" Given Tuesday Morning.

The Mother's club of the Orange Street school will hold its final meeting Tuesday afternoon at 3:30 o'clock and a large attendance is expected. Election of officers for the coming year, reports of retiring committees and other important business will be transacted.

The club has completed preparations for the lecture to the pupils of the fifth and sixth grades Tuesday morning at 11 o'clock on "The Care and Use of the Human Mouth." Mrs. J. R. Mamsey will deliver the lecture; illustrating it with slides selected by the National Mouth Hygiene association of Boston.

It is stated that McDevitt has passed the stage where he will suffer effects from the poison and it is believed that within a few days he will be his normal self again.

J. M. INGLE SUFFERS BROKEN ARM IN FALL

Falling over a 25-foot embankment Saturday night in the west end section, J. M. Ingle, a carpenter, suffered a broken arm and several cuts and bruises about the head and body. It is stated that the injured man was following a path when he lost his way in the darkness and fell down the embankment. Passersby heard his calls for aid and he was taken to the Mission hospital where Dr. G. D. Gardner treated his injuries and he was then taken home. No serious injuries are reported.
