GET POWER The Supply Comes From Food.

If we get power from food, why not strive to get all the power we can That is only possible by selecting food that exactly fits the requirements of the body.

Not knowing how to select the right food to fit my needs, I suffered grievously for a long time from stom-ach trouble," writes a lady from a against Mr. Blomberg in which she asked for \$10,000 damages, alleglittle Western town.

"It seemed as if I would never be able to find out the sort of food that was best for me. Hardly anything that I could eat would stay on my stomach. Every attempt gave me heart burn and filled my stomach with gas. I got thinner and thinner until I literally became a living skele.

"A few months ago I was persuaded to try Grape-Nuts food, and it had such good effect from the war." such good effect from the very begin-ning that I kept up its use. I was surprised at the ease with which I digested it. It proved to be just what

"All my unpleasant symptoms, the heart-burn, the inflated feeling which 112 College street Tuesday afternoon save me so much pain disappeared, received a message from their nine-by weight gradually increased from years-old son William, in which he is to 116 lbs. my figure rounded out, told of his safe arival at Pueblo, Col.,

to 116 lbs., my figure rounded out, my strength came back, and I am naw able to do my housework and enjoy it. Grape-Nuts did it."

A ten days trial will show any one same facts about food.

Name given by Postum Co., Battle Creek, Mich. Read. "The Road to Wellville," in pkgs. "There's a Reason had not planned to go there. She did not seem to think that the young-ster in making the trip alone to Colorado was doing anything that any other nine-years-old boy could not do. Young William will remain in Pueblo for two months.
