diana die, leaving an estàle to two adult children. Should the children remain unmarried and die without making a will, would the entire es-tate go to the father's brothers and sisters or would the mother's broth-ers and sisters share equally with the father's in the estatet (2) If I give my note to a party, paying interest on the same at regular intervals, and the party fails to in-dorse this interest on the back of the note, what recourse have If Have 1 a right to demand the privilege of seeing the note in order to ascertain if the interest payments have been

indorsedf A. (1) The Indiana statutes pertaining to descent and distribu-tion provide: "If any intestate shall die without lawful issue or their descendants alive, one-half of the estate shall go to the father and mother of such intestate, as joint tenants, or, if either be dead, to the survivor, and the other one-half to the brothers and sisters and to the descendants of such as are dead, as tenants in common. . . . If there be neither father nor mother, the brothers and sisters of the intestate living, and the descendants of such as are dead, shall take the inheri-tance as tenants in common. If there be no brothers or sisters of the intestate or their descendants, the father and mother shall take the inthe creature is not an animal, was the position taken by a St. Louis city attorney a short while ago, is defending the case against a peddler accused of crueity to animals.

The case was dismissed over the emphatic protest of the presiding judge, who argued that the dictionary defined a fish as an animal. The peddler was charged with advertis ing his fish by displaying a live animal from a string on his cart, that its flopping might attract the eyes of prospective purchasers. In a certain barnyard an agent of

the S. P. C. A. discovered a goose whose webbed feet were nailed to a board, as one stage in the process to make its liver become pate de foie gras.

A moeling of the society was held to consider the case, and the presi-dent who had been in conference with physicians, encyclopedias, law-yers, humanitarians, and others, issisted that in addition to the bodfly injury, there was also the question of mental anguish to be considered. Accordingly, the society voted to hale the goose's owner to court to decide a goose's rights-Cleveland Dealer.
