### LIEUT. WEST WRITES OF MEXICAN RAID

Asheville Officer Writes Parents of Experiences During Raid at Columbus.

#### TAKEN BY SURPRISE.

A letter has just been received by Captain W. W. West, from his son, Lieut. W. W. West, Jr., of troop L, 13th United States cavalry, which is stationed at Columbus, N. M., in which the former Asheville officer tells of his experiences on the night the Villa bandits raided Columbus, killing Americans and burning and looting the stores and residences.

Lieut. West states that the raid started about 4 o'clock one morning and lasted until about 6:30 o'clock that morning. He was asleep at his home with his wife and child when he first heard the shots. The Mexicans cut him off from the camp and he was compelled to remain in his home with Mexicans outside until the raid was about over. It did not take the United States troopers long to get in action, even though they were taken by surprise, according to the letter. About 150 Mexicans were killed and more than 200 wounded, he said. He states that one troop followed the Mexicans across the border for about 10 miles and a little later a second troop went over. Seventeen Americans in all were killed, seven of whom were soldiers, and many more wounded. Only one officer was wounded and his wound was slight. Most of the soldiers killed were those on sentry duty that night, being stabbed by the Mexicans, who slipped up through the dark.

The Mexicans burned two of the largest buildings in the town, he states a store and hotel and destroyed and looted many others. The town of Columbus has about 3000 population. Many of the private homes were entered and raided, he states. The officers of the regiment sent the women and children to a nearby town the next day and from there they were sent on to their former homes in the different states.

This is the first letter Lieut. West's parents have received from him since the raid, although they received a telegram the morning after the raid, assuring them that he was not hurt.

### WRESTLING BOUTS AT CELEBRATION

Eagles Celebrated St. Patrick's Day With Entertainment Last Night at Club.

Members of the Eagles' club last night enjoyed a St. Patrick's day celebration at the club rooms on Broadway. The larger part of the evening was spent in wrestling. John Drake taking on Tom Cordell, who is said to be from Oklahoma and George Choukik, a local Greek. The bouts were fast and interesting, although Drake had little difficulty in disposing of Cordell. The Greek gave the local man a good run for his money and showed by his wonderful work that he had received some good training.

Another feature of the entertainment was a battle royal between four negro boys. The blackest of the quartet being declared the winner of the four cornered contest. The fighting was of a comedy nature, the negroes playing the hit and run game, but they were unable to get very far from the ring before they were pushed back again.

Talks were made by Marcus Erwin, Dr. E. B. Morris, Harry Martin and John O'Donnell. A musical program which was thoroughly enjoyed by all was carried out and refreshments were served.

### L. L. HIGGASON TO OPEN NEW STUDIO

Will Give Personal Attention to the Work Done—Opens April 1.

Announcement is made that L. L. Higgason, formerly of the firm of Pelton and Higgason, will open a studio on April 1, at No. 16 Patton avenue, second floor, over Glaser's. Mr. Higgason will have personal charge of all the work that is done in his studio, thereby imparting his originality to every piece of work, it is stated. He will make a specialty of portraits in the home.

The March number of Photo-Era of Boston, contains the following regarding Mr. Higgason:

"Those workers who are ambitious to enter the professional field will doubtless remember the beautiful work of L. L. Higgason, of Asheville, N. C., who was really 'discovered' by Photo-Era about a year ago. He made his initial appearance in Photo-Era with a magnificent head of a young girl, which was used as a cover design and a full page illustration for July, 1915. Photo-Era. The picture excited admiration at the Photographers' convention in Indianapolis, last year, and may be regarded as Mr. Higgason's national reputation. Since then he has been honored in various ways, and the prestige thus acquired induced him to retire from the firm of Pelton and Higgason and set up a studio for himself. Mr. Higgason possesses signal artistic ability and the striking originality in portrait work, and there is no doubt that he will carve a name for himself on the tablet of American photographic history. He has our best wishes."

### CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When cross, feverish and sick give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.
