COCKEYED?

It Depends upon what kind of an eye you have, as to whether or not, you can see THIS INVESTMENT. I can see it plainly, and you are not "cockeyed" either—in fact, if you had NO eyes and some friend were to tell you of the location, to say nothing of the nice small (6) house that's on top of it (6) and renting for \$35 the month. (Let me see how much this fliggers up in a year? If my multiplying is correct, it foots up \$420.—Ten (10) per cent on \$4200 is my dictionary is right and methinks she are—) Listen to me THIS TIME, if never again—Buy it—Buy it as cheap as you can but buy it—It'll help you if you need me. The price is \$4200 but "Be Game." Make me or offer attaching a \$200 make good c.k. Nothing like showing the "Kale" (is that the way to spell it I don't know, as I have so few w r it—) Attention! please, the land is worth more money with the house burned up. (Are you good with matches?) Elephant stand for a Grocer with a Butcher on this side—All I ask is that you mean business when you talk to US.

W. T. ROWLAND AND CO.

50 Pat. Ave. "It Can Be Done!"

AT 4 O'CLOCK THIS A. M.

an ad. flew into our Cocoon and FLEW OUT AGAIN—That's what we get for listening at OUR wire—I woke her up and told her "We had an idea" She said "We was crazy" and said "GO TO SLEEP"—That's where I "fell down." I ought to have gotten up, turned the light in her face, and wrote THAT AD.—It might have made US thirty cents—Now it's gone. It must have been about that NEW BUSINESS LOT I've just succeeded in landing—Be Quick—

W. T. ROWLAND AND CO.

50 Pat. Ave.

BOYS PLEASE TALK ABOUT ME

SAY "HEY'S CRAY." "Cracked" "Nutt" or most anything else (I won't even claim you are lying either—) I'd hate for you to say "He is crooked." "We" may be that too, and if that's all you can say, SAY THAT, BUT BE THE QUIET ABOUT IT—really want THE AD—Tell the truth if you can, BUT TALK—

W. T. ROWLAND AND CO.

50 Pat. Ave. "It Can Be Done!"

WE ARE ON THE "C C SPECIAL"

flying south—We just had to get out of town for a few long hours—T, "we" hate to travel on Sunday, but we must get back to the Hills so US will be HOME Sunday (The Lord willing) to a hot hen dinner. "ASHEVILLE IS MY HOME and REAL ESTATE IS MY BUSINESS" and if you don't "Bleve" "I tend to it." Get me to "pull off" something for you—

W. T. ROWLAND AND CO.

50 Pat. Ave.

WILEY BROWN'S WATCH CRAZY!

We happened up together at Bro. Frost's Jew-shop this A. M., and he was on his head, told Frost he bought it March 1897 and had already had to spend TWO DOLLARS on it in 19 YEARS. Frost screwed up his Bull's Eye and tried to find the "Fast bit." Brown said "Hit gained 35 mins in one hour yesterday" (going some). I never made a business of fixing "Fast Watches" but I told them what the trouble was. "It is simply trying to keep up with this ASHEVILLE SPIRIT!" Frost can't make it run fast enough for that.

W. T. ROWLAND AND CO.

50 Pat. Ave. 3-20-14

LOOK OUT AHEAD—

If you'll buy the lot and put the building on it. It will be an investment of about \$18000—I have the lease for 5 years at 10 per cent or better—What will it be worth 5 years hence—\$35000 and up—

W. T. ROWLAND AND CO.

50 Pat. Ave.

WAS IT YOU

who said IT CAN'T BE DONE? I say "IT CAN BE DONE!" I know it CAN BE, because I've tried it—I've thought it all over too—\$10.00 Fine for some one to tell me ANYTHING that can't BE DONE, IF—you know "IF" don't you? I don't like the word much for we have learned to overwork it—We ought to get out and do it "anyhow"—

THE USE

What's the use to say a thing and then not stick to it—? If its a (you tell) tell a good one and stick to it—But this ain't no lie—I said that the Modern Residence (Vapor heated), Living room 32x15 and etc., and etc., (in NO BETTER LOCATION IN ASHEVILLE) that I advertised for \$6500 was the best buy of its kind in my list, I'm sticking to it—If its a sure enough good home (where you are not ashamed to tell people you live) is what you want—THIS IS THE ONE—If you don't want it for your home I'll rent it for you for 3 YEARS at \$45 a month. Now I've put the "acid" test to you—"Mean Business when talking to me"—

W. T. ROWLAND AND CO.

50 Pat. Ave. "It Can Be Done!"

WHAT MAKES ME

so enthusiastic over these things I advertise? Well the biggest reason is that "I know them so well" "I B'leve in 'em." When "Yours truly" sticks OUR name to a paper, we try to know we are right and then "go to it" so to speak—I'm so bubbling over with this Asheville spirit, that I can hardly stand it—Boys we couldn't keep her back if we were paid to attempt it—Mark Me—They are taking notice of us and the Best is yet to come—SMILE AND HUSTLE—

W. T. ROWLAND AND CO.

50 Pat. Ave. "It Can Be Done!"

"WATER ON ROCKS"

If you just KEEP ON and KEEP ON pouring water on a rock, it will wear away. (They say so the process is too slow for US as we are Quick Actors) Well, take either side of the quarrel you want to, I'm going to keep busy pouring this DOPE and good square intelligent Business spirit into you, I'll finally sell you something or sell something for you—I'm determined to do business with you—I'm going to think I'm treating both sides square and when this is done stand aside and let the chips fly for "I'm going to it"—

Cutting it Short.

"Judge, I wish to make affidavit that I killed a snake last week that was nine feet long. I killed this snake in a field back of my barn, killed it with a hoe which I purchased in the spring of 1910. I was born—" "Hold on!" yelled the J. P. "You needn't make the affidavit as long as the pesky reptile."—Kansas City Journal.
