

Stomach Trouble Solved

Most stomach troubles are not diseases. The stomach is simply weak. Tired out. The right kind of a tonic is what is needed. A few meals, well digested, will furnish natural strength. That is what a tonic will do for you. It will start the stomach going right. Then the stomach will take care of itself.

PE-RU-NA Good the Year 'Round

It is ready to take, composed of pure drugs, of uniform strength and composition. Not an experiment. Peruna is a substantial, household remedy, with forty years of splendid history behind it.
