IMPORTANT WEEK FOR CONTESTANTS

This is "Starting Opportunity Time"—Extra Votes Offered—Vote in Division No. 2 Published Today

This week is perhaps one of the most important periods for the contestants who hope to be among the leaders at the close of the TIMES Great Circulation Campaign. This week is "starting opportunity time" and the 300,000 extra votes offered on a two year club besides the regular votes will be a thing of the past after this week. The coupon in the paper will take a big fall commencing Friday of this week. Get the coupons in and secure the two year club this week. No contestant can have votes this week, up to and including Saturday, on more than one two year club. Four six months or two one year subscriptions from old or new subscribers will make up the club.

Vote in Division No. 2
 The vote standing in Division No. 2, is recorded today and most of the ladies in this district are receiving a splendid support and their friends are good until Monday night of the contestants who have been nominated have sent in votes for themselves and the race in this division promises to be a most interesting one. There are less nominations in this district and the lady who has the highest vote in this section will receive a prize of \$100.00. A set of prizes, ten of them will go to the ten highest contestants in this division and all of the contestants have an opportunity to secure the largest vote in all districts and win the Nash Six seven-passenger car.

The contestants who reside in divisions out of Asheville will always have the same time to collect votes on any of the offers or the coupon vote as those who reside in Division No. 1, the city of Asheville. The coupons are good until Monday night of each week and if the coupons are in the mail Monday night they will be counted as soon as they reach the campaign office. Club offers that will expire Saturday nights the same rule will apply to subscriptions. On rural routes where the mail does not leave until Tuesday following Monday, the coupons can be sent in at that time.

Every contestant should make every effort to secure the two year club between this time and Saturday night. Three hundred thousand votes will be very hard to secure after this week. It will require many more subscriptions and many more coupons to secure that number of votes next week than is required this week. Get busy this week.

SMALL DOCKET IN POLICE COURT

A very small docket awaited Police Judge Glenn this morning. In spite of the scarcity of whiskey, one defendant was arraigned for being drunk and was fined \$25. George Williams, colored, was sent to the roads for 60 days for larceny of a small quantity of brass from the Asheville Supply and Foundry company. Some other minor cases were continued.

JUDGE MOYLE TO SPEAK AT SMOKER AT LANGREN

Mass Meeting Is Arranged in Interest of Liberty Bonds

Under the auspices of the Asheville bankers' central committee, Judge Moyle, assistant secretary of the treasury, will address business men of the city tomorrow night at the Langren hotel at a smoker arranged by the program committee. Mayor Rankin, as well known as a banker as he is as mayor, will preside. The plans were made by the bankers, Rotarians, members of the board of trade, Merchants' association and other civic organizations interested in the success of the second Liberty loan. Before the smoker, the bankers of the tenth district will hold their regular meeting at which the Liberty bonds will be discussed. The Asheville bankers are determined that the \$750,000 allotment for this city shall be subscribed if possible. Judge Moyle will be introduced by President L. L. Jenkins of the American National Bank. Immediately after the smoker, which begins at 8 o'clock, the tenth district bankers will meet for dinner and discussion. Labor unions, other organizations and business men generally are invited.

SHERIFFS OF STATE TO HELP IN BOND SALES

Mitchell Has Returned From Raleigh, Where He Attended Meeting

Sheriff E. M. Mitchell returned last night from Raleigh, where yesterday morning he attended a meeting of sheriffs of North Carolina, called by Governor T. W. Bickett, for the purpose of starting a live campaign in every county in the state for the sale of Liberty Loan bonds in this state, in order that North Carolina's quota for the bonds can be secured. Out of 100 sheriffs in the state 92 attended the meeting, which was addressed by the chief executive of the state. The sheriffs perfected a permanent organization adopted resolutions thanking Governor Bickett and the state council of defense for calling them together. The officers elected were: President, Sheriff R. H. Edwards, of Wayne county; vice presidents, Sheriff Wallace, Mecklenburg; Sheriff Stafford, Guilford, and Sheriff Lane, Craven, Wake county. The members of the newly organized body of county officers pledged their active support to the governor and it is believed that by this move North Carolina will take a big step forward in the sale of the bonds.

TO RAISE FUNDS FOR WAR CAMP RECREATION

Plans For a Nation-Wide Campaign To Be Made at Conference.

Washington, Oct. 16.—An important conference will be held here October 23, at which prominent persons from throughout the country will discuss the problem of war camp environment, it has been announced. Preceding the conference the national committee in charge of the national-wide campaign to raise funds for war camp community work, of which John N. Willys, of Toledo, is chairman, will meet. President Wilson has been invited to attend. It is expected that both Secretaries Baker and Daniels will make addresses. The conference has been called jointly by Raymond B. Fosdick, chairman of the war and navy department commissions on training camp activities, and Mr. Willys.

The purpose is to show the urgent need, as part of the nation's proper preparation for war, of surrounding all military training camps and posts with conditions which inspire the men and help to make and keep them fit to fight. Among those invited to attend are members of the national and state councils of defense, and chairman of county councils; officials of the rotary clubs, the president and board of directors of the United States chamber of commerce; representatives of women clubs and of state federations and presidents of a member of prominent women's clubs.

With Fingers! Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug Eucalypti recently discovered by a Cincinnati man. Just ask at any drug store for a small bottle of Eucalypti. Apply a few drops upon a tender, aching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it off with the fingers. Just think! Not one bit of pain before applying Eucalypti and fall or without hurting a particle. It is almost magical. Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.
