"Marriages". Our town is at last honored with a Militia regimental training, and is to be carried for, as we understand the muster has been changed to this place. At the last town parade, on the 16th inst., our young and gallant Lieutenant, W. Baird was promoted to a Captaincy, over the Asheville company, A. No. 1; no mistake, this was the most flattering, as we are assured Mr. B never sold the place. On the succeeding Musters Morgan and Anderson gave [illegible] and Maj. J. M. Israel was elected, Colonel Commandant, B. C. Hemphill Lt. Col. W. Brumfield, Major, and Jas. Osworth Sen. Major. The only speculation we have in these Regimentals, that Gen. Bowman, of the Temperance Advocate, elected Lieut. to Lt. Gen. of "Shoofly" in our way home two weeks since. Attention! Buffaloes!!

☞ We would be glad to learn by whom, to whom, and when and where-from, the vote was made that we were losing 40 subscribers a week.

A Consistent Son of Temperance is one who regularly attends the meetings, marches out in procession on public days, and at the ballot box casts his vote for men who fall a certain class of trash to sell about with a tin cup, charged with corn whiskey. "Moral suasion," and a good example have a wonderful influence.

It will be seen by advertisement in another page per that the EAGLE HOTEL is now under the supervision of Dr. Boyd and Lady. Long and favorably known as having all the requisite qualifications to faithfully and satisfactorily cater to the public taste. This house is also unsurpassed by none for its stabling, and without wishing to be considered by any one, we wish it many encomiums in weeks to come, and that our new host and hostess may meet with abundant success.

☞ The "Town Ordinance" seems to be well kept. "Muster day" brought a grand discharge of some brass artillery just under the eaves of the Court House, and several times, recently, guns and pistols have been fired off in various parts of the village, in thirty steps of the main street. Hurra for liberty and independence, now and forever! particularly to boys, jackasses, cat-boats, pop-gun shooters, dogs, snakes and dead cats!

"Mr. Stateman": We call the attention of our readers, particularly those salt and hard-headed Whigs, who wish to put out every man's eyes that does not look through their glasses, to the communication of Mountaineer in to-day's paper. We assert because it is reasonable, well written and non personal, and because we accord to the views of the writer.

Closing up the Order of Publication. We have now in press a second edition of the preceding pamphlet, and shall strike off a few copies to serve the number we may need. Those in want of it may get a copy by, and have them at $1 per hundred, as we shall not further attend to it.

JAMES M'DONEY.
Aug. 13. Asheville N. C.

The Knoxville Whig says Mr. James Evans of Jefferson County raised off of two acres of land 137 bushels of corn.

Another Scientific Wonder! Professor Baron De Schlippenbach, of Berlin, Prussia, and Chevalier, M. D., No. 11 North Eighth Street, Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Loss of Appetite, and Debility, curing after Nature's own method. Endorsed by the Academy of Medicine, the Castile Juice. See advertisement in another column.

[From the Christian Advocate.]

☞ The editor of this paper would announce his retirement to the duties of this station which he has for some weeks been obliged to place in other hands on account of a severe cold. It is with pleasure he acknowledges his gratitude to Dr. Ayer's Cherry Pectoral for a cure from it, and great relief from suffering by its use; and now, would from experience recommend it heartily to others who may be afflicted as he has been, with a belief that they may also be benefited by its use.—Advertisement.

"Leaves have their time to fall,
And flowers to wither at the North wind's breath,
And stars to set—but all
Thou hast all seasons for thine own, O Death."

Departed this life at his residence in Macon county on the 23d July, 1851, Mr. JOHN BRYSON, in the 83d year of his age. He was one of the first settlers of this country. And has ever been esteemed as one of the most worthy and useful citizens of our county. In him the community has lost a bright example of uprightness and honesty.

Death of the Rev. Dr. Olin.—On the eve of going to press, the telegraph brings us the melancholy intelligence that the Rev. Dr. Olin died at six o'clock this morning, at his residence in Middletown, Conn. We have not time, to-day, to express the regret, which in common with the whole Christian community, we cannot but experience at the decease of of this great and good man.—N. Y. Com. Adv.

In the town of Lincolnton, on Wednesday evening, August the 20th, 1851, Thomas Dews, in the 71st year of his age.

In Hendersonville, on monday the 25 inst., Mr. Hunt Allen, after a severe illness of many days. The deceased left a wife and two children, and many relations to mourn their loss. G.

In Henderson county, N. C. on the 23d inst., Sarah Louisa, an interesting and promising little daughter of Cyrus Fullerton L. and Rachel C. Erwin, in the 5th year of her age.

"Suffer little children to come unto me and forbid them not for of such is the kingdom of Heaven," was the words of our beloved Savior while on earth, and still his voice echoes in the ears of fond parents, while bending o'er the couch of their dying children giving such consolation and hope as to buoy them up under their severe affliction.
