MERCHANT TAILORING

FULLING, SPRINGS & CO.
We have also added to their Ready-made Clothing
Stocks, a Merchant Tailoring Department, to which
they call the especial attention of their many
friends and customers.

They intend making this department second
to none in the State, either in style and quality of
goods, or in the manufacture of Garments.
At all times will be found a good stock of Black
and Colored Cloths, English, French and American
Shawls, and a variety of Vestings. Also, an as-
ortment of

ROCK ISLAND CASSIMERS.
They feel confident of their ability to undersell
any other house in the State, from the advantages
they have in getting their goods.

The goods are bought by the quantity, by one
of the firm who resides in the Northern markets,
which gives him the opportunity of taking advan-
tage of the prices of goods, thereby saving at
least

Twenty-Five per Cent.
To the consumer. Dimes saved are Dollars

South and Southwest.

WE, the undersigned, Merchants of the City
of Charlotte, S. C., encouraged by the in-
creased patronage received last Spring, and by the
assurances that have reached us from all sections
of the South and Southwest, that our Goods have
been compared advantageously, and competed suc-
cessfully, with those brought from New York, and
other Northern cities, and believing that being fond
faithful to the pledges made in our former Card,
we will receive still greater patronage, have pre-
pared ourselves for a largely increased full busi-
ness.

Our Importers and Jobbers of Foreign Merchan-

Europe, this Spring and Summer, either by mem-

their selections will form full and attractive stocks

facilities for obtaining Domestic Goods direct from
