### The New American Cyclopædia. D. APPLETON & CO., 846 and 338 Broadway, New York, published by

subscription only, the New American Cyclopadia; a Popular Dictionary of General Knowledge, edited by George Ripley and Charles A. Dana, assisted by a numerous but select corpse of writers.

THE object of the NEW AMERICAN CYCLO-PÆDIA is to exhibit in a new condensed form, the present state of human knowledge on every object of rational inquiry in SCIENCE, LITERATURE, AGRICULTURE, COMMERCE, MANUFACTURES, LAW, MEDICINE, ART, ASTRONOMY, PHILOSOPHY. MATHEMATICS, RELIGION, POLITICS, HISTORY, BIOGRA-PHY, GEOGRAPHY, TRAVELS, CHEMISTRY, MECHANICS, TRADES. With this design, the numerous Encyclopædias, Dictionaries of special branches of study, and popular Conversations, Lexicons, in the English. French and German languages, have, of course, been diligently consulted and compared. But the New American Cyclopædia is not founded on any European model; in its plan and elaboration it is strictly original. Many of the writers employed on this work have enriched it with their personal researches, observations and discoveries.

As far as is consistent with the thoroughness o research and exactness of statement, the popular method has been pursued. By condensation and brevity, the editors have been enabled to introduce a much greater variety of subjects than is usually found in similar works, and thus to enhance the value of the New American Cyclopædia as a manual of Universal Reterence. At the same time, an entertaining style has been aimed at wherever it would not interfere with more important considerations. Special care has been beubscription is only \$1.40. > In the preparations of the present volume, nearly a hundred collaborators have assisted-including persons in almost every part of the United States, in Great Britain, and on the Continent of Europe, whose names have attained an honorable distinction, each in some special branch of learning. No restriction has been imposed on them, except that of abstinence from the expression of private dogmatic judgment and the introduction of sectarian comments, at war with the historical character of the work. In this fact, it is hoped, will be found a guaranty of the universality and impartiality of the New American Cyclopædia, which the publishers do not hesitate to say will be superior in extent, variety and exactness of information to any similar publication in English The work will be published exclusively by sub-

scription, in fifteen large octavo volumes, each

containing 750 two-column pages, and in external appearance will be at once elegant and substan-Subscriptions received, payable on delive-PRICE—In cloth, \$3; Library style, leather, \$3 50; half morocco, \$4; half Russia, extra, The first volume will be sent by mails, free postage, to any address, on remittance of the Mr. T. THE GLOBE: THE OFFICIAL PAPER OF CONGRESS

PUBLISH now my annual Prespectus of The Daily Globe, and The Congressional Globe and Appendix, to remind subscribers, and inform those who may desire to subscribe, that Congress met on the first Monday of December, 1860, when I resumed publishing the above-named papers. They have been published so long, that most public men know their character, and therefore I deem it needless to give a minute account of the kind of matters they will contain.

The Daily Globe will contain a report of the Debates in both branches of Congress as taken down by reporters, equal, at least, to any corps of short-hand writers in this, or in any other country. A majority of them will, each, be able to report, verbatim, ten thousand words an hour, while the average number of words speken by fluent speakers rarely exceeds seven thousand five hundred words an hour. When the debates of a day do not make more than forty-five columns, they will appear in The Daily Globe of the next morning, which will contain, also, the news of the day, together with such editorial articles as may be suggested by passing events.

words it contains. The coming session will, without doubt, be an unusually interesting one, because the debates will, in a great measure, be upon the policy of the President elect, and The Globe will be, as it has been for many years past, the only source from which full debates of Congress can be obtained. THE CONGRESSIONAL GLOBE AND APPENDIX PASS free through the mails of the United States, as will be seen by reading the following Joint Resolution passed by Congress the 6th of August, 1852:

constituent bodies : Be it resolved by the Senate and House of present session session of Congress, the Congressional Globe and Appendix, which contains the laws and the debates thereon, shall pass free through the mails so long as the same shall be published by order of Congresss: Provided, That nothing herein shallbe construed to authorize the circulation of the DAILY GLOBE free of postage. PROSPECTUS

OF THE AD VALOREM BANNER.

A NEWSPAPER FOR THE PEOPLE. S soon as the necessary arrangements can be A soon as the necessary arrangements can be made, and I hope to have them completed early in January, 1861, I will commence, in the city of Raleigh, N. C. the publication of a weekly Newspaper, to be called the ADVALOREM BANNER." It will be published in quarto form, on good paper, and with new materials throughout. The limits of a Prospectus will not admit of my going fully into the policy and principles which will govern my course as an Editor, and I can now only give the outlines briefly.

First .- The BANNER will be, in many respects, different from any other paper published in the State, or the South. About half of it will be devoted to Literature of a high order, such as Poetry, Tales, Essays, Biographies, &c., in which department I will be aided by some of the best writers of the age. The rest of the paper will be devoted to Politics, News, general Miscellany, &c., thus combining the advantages of a good Family paper, with the political principles of truth, justice and

equality. Second -I am a Democrat-one of the Old Guard-and under present circumstances a Union man. I shall think for myself, and speak what I think, if I so choose, regardless of threats, cliques, combinations, magnates' and potentates. I shall adhere to the great conservative principles of my party, and not be seduced by the "zeal without knowledge" of new converts. My advisers shall not be those with the scent of "Sam," after putrefaction took place, upon their garments; and most especially will I not be counselled by any one who was regarded as too unreliable to be admitted into

a Know-Nothing lodge!

Third.—I helped to fight the battle on a great popular right, (Equal Suffrage,) which gave the Democratic party power in North Carolina; and now I shall strive to maintain that power by sustaining another great popular right—Equal Taxation. We have equality at the ballot-box; let us have it at the Treasurer's Office also. Fourth .- While I shall adhere to the old landmarks of Democracy, I shall free myself from that worst of tyrannies—party tyranny; and shall ever oppose the action of cancuses and conventions when ruled by a minority, and by an irresponsible secret ballot, as is now generally the case.

Fifth.—The BANNER will speak for THE PEO-

PLE, and against political speculators. It will counsel union and harmony, and advocate fair deating and a fair expression of the public will. Sixth .- If Mr. Lincoln or any one else violates the Constitution, I shall advocate his removal from power and the infliction of a punishment commen-surate with the crime; but I am not in favor of rashly overthrowing the fairest governmental fabric in the world, and of biotting out the last great hope of freedom, on account of the villainyof any man or set of men. Seventh .- As occasion requires I shall use a set of editorial casters, well supplied with the vinegar

seasonings to suit times and circumstances. TERMS OF THE BANNER: \$2 a year, payable on receipt of the first num-ber. Any person remitting \$10, with the names of five subscribers, will be entitled to an extra copy

WHITAKER, EDITOR AND PROPRIETOR 71TH a hope of increasing our usefulness to the Democratic Party, as well as to the eading public, generally, we desire to enlist the aid and good will of the young men, and old men, of the States in behalf of our enterprise—and we care to do it in no other way than by publishing a BOUND DEMOCRATIC PAPER, and a good and reliable Family Journal. Our oninions are too well known to the public to require an announcement of our sentiments upon the various political topics which now agitate the public mind, and it need only be said, that, as

The approaching year will bring with its duties of sufficient importance to engage the time, the tal-ents and the zeal of even more Democratic Papers than now exist in North Carolina, and it is impor-tant, in order that their labors may be beneficial to the party, that they be extensively patronized that they circulate in every neighborhood, and visit
