PROF. L. MILLER'S Hair Invigorator. AN EFFECTIVE, SAFE AND ECONOMICAL

COMPOUND. FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the hair from turning gray. FOR PREVENTING BALDNESS, and curing it,

when there is the least particle of vitality or recuperative energy remaining. FOR REMOVING SCURF AND DANDRUFF, and all outaneous affections of the scalp. FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to

curl readily. The great celebrity and the increasing demand for the unequalled preparation, convince the pro-prietor that one trial is only necessary to satisfy discerning public of its superior qualities over any other preparation at present in use. It cleans the head and scalp from dandruff and other cutuneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and fiexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh-cov-

ering of hair. There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other prepara-tions had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in case where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great faculties it affords i dressing the hair, which, when moist with the invigorator can be dressed in any required form so as to preserve its place, whether plain or in curs

It is a source of no little gratification to us that in announcing the THIRD Volume of the JOURNAL, we are enabled to give the best possible reproof to the discouraging predictions of Northern Publishers, as well as to the gloomy forebodings of hearty well-wishers in our own section of the country. Yes, we are proud to say that the SOUTHERN FAMILY JOURNAL

has proved the existence of Literary talent and enterprise in the South which fears no rivals. The friends of Southern Literature have often declared that, could they get a Southern Paper, which, iu point of intrinsic merit and in price, could compete with Northern Weeklies, they would cheerfully support it. We offer this desideratum; we ask these promises to be redeemed. We ask a comparison with other papers of its class, and are satisfied that the SOUTHERN FAMILY JOURNAL will be found equal to the best. Arrangements

have been made with the BEST WRITERS OF THE SOUTH,

and the Publishers have no hesitation in saying that the JNURNAL must become a welcome quest in every Southern home. For the ensuing year we are enabled to report a host of new and interesting features, comprising, among others, BRILLIANT ADDITIONS TO OUR STAFF OF

An intensely interesting series of DETECTIVE STORIES. Important and varied additions to our justly cele
