PROF. L. MILLER'S Hair Invigorator. AN EFFECTIVE, SAFE AND ECONOMICAL

COMPOUND. FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the hair from turning gray.

FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or recuperative energy remaining. FOR REMOVING SCURF AND DANDRUFF, and all outaneous affections of the scale FOR BEAUTIFYING THE HAIR, imparting to i an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the incressing demand for the unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleans the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and fiexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of ladies and gentlemen in

New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession ters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in case where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great faculties it affords in dressing the hair, which, when moist with the invigorator can be dressed in any required form so as to preserve its place, whether plain or in curs
—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS per bottle, to be had at all respectable druggists. L. MILLER would call the assume of control and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it remotes any impurities that may have become connected with the scalp, the removal of which is necessary both for the the removal of which is necessary both for the health of the child, and the future appearance of its Hair. SOUTHERN FAMILY JOURNAL has proved the existence of Literary talent and enterprise in the South which fears no rivals. which, in point of intrinsic merit and in price, could compete with Northern Weeklies, they would cheerfully support it. We offer this desideratum; we ask these promises to be redeemed. We ask a comparison with other papers of its class, and are satisfied that the SOUTHERN FAMILY JOURNAL will be found equal to the best. Arrangements have been made with the

BEST WRITERS OF THE SOUTH. and the Publishers have no hesitation in saying that the JNURNAL must become a welcome guest in every Southern home. For the ensuing year we are enabled to report a host of new and interesting features, comprising, among others, BRILLIANT ADDITIONS TO OUR STAFF OF
