OF THE STATE JOURNAL AVING become the proprietor of the Demo-cratic Press. I have merged that paper into the STATE JOURNAL, which will be published Semi-Weekly and Weekly.

The STATE JOURNAL will advocate Democratic principles in the broadest sense, and will support and defend Democratic measures and their advocates as they are presented, and as occasion may require. In other essentials it will be my aim to make the paper, what its name denotes, a State Journal—eschewing all sectional considerations and working for the entire State and her common

interests.

As soon as arrangements can be made, the whole paper shall be re-modeled and printed with new type, on good paper, and in a superior manner.

The Editorial department will be properly attended to in its various branches, and will speak for itself. Neither labor nor expense will be spared in the management of the paper. the management of the paper.

The terms of the State Journal will be as fol-
