LOST VALUABLES.

THREE GOLD WATCHES AND OTHER valuables, were stolen from the residence of Mrs. John P. Bell, Fairfield, S. C. by the Yankees. The thieves were afterwards killed and the stolen property which they had in their possession, recaptured. These stolen articles have been in the possession of some of our soldiers. This advertisement is therefore inserted, in the hope that it may meet the eye of whoever may have them in possession. One of the Watches is of large size, marked in the inside case "Jane A. Boyd"; attached to this is a hair chain, marked on one end "M. B. C." on the other end "J. B. B." to which is suspended a medallion with two likenesses (a young lady and a boy), a seal, marked "J. B. B." and a key with a white stone. Another is a small size (lady's) Watch, with gold chain attached, suspended to which is a medallion containing a gentleman's ambrotype, a watch key with mosaic set, and a cross. The other Watch is of medium size, double case. To this is attached a gentleman's gold chain. The other stolen property consists of one silver cup or mug, marked "L. H. Bell," 1 doz. silver forks, marked "J. J. B.," and 1 doz. table spoons and 1 doz. tea spoons (all silver), marked "J. H. C." Two handsome cameo sets of jewelry were also taken at the same time. Any one leaving these articles with Jas. A. Houston, Greensboro, N. C.; Charles B. Bell, Pineville, N. C.; James Hemphill, Chester S. C. or Wm. Caldwell, Hazelwood, Chester District, S. C., will receive the price asked for them. Surely our brave defenders are willing to return the property thus captured, which is endeared to the ladies from whom it was stolen by associations of the happy past, and which can only be valued by others for the money it will bring, and that the ladies are perfectly willing to give. mh 28, '65-dtf

REPORTS OF THE PRESS ASSOCIATION. Entered according to Act of Congress in the year 1863, by J. S. THOMAS, in the Clerk's Office of the District Court of the Confederate States for Northern District of Georgia.

From Mobile. MOBILE, April 1.—The enemy invested Spanish Fort on the east, and erected a heavy battery south of the Fort, on Thursday night, from which he kept up a steady fire on Minette, cutting off communication with the fort by steamer from the city. Batteries Huger and Tracy opened on it, and with the aid of another battery, relieved it this morning. The enemy to-day moved up towards Blakely, and it is expected he will attack the place to-morrow. At sunset yesterday Capt. Watson, of Gen. Gilsou's staff and Lieut. A. C. Newton, of the 4th Louisiana, headed a sortie of fifteen men from Spanish Fort and succeeded in driving back the enemy's advance, killing several, capturing one captain and 21 men. The cannonade has been very heavy all the week. The enemy has made no impression on our works. A fine morale prevails among our troops. Our losses slight; that of the enemy heavy. We having the advantage of position, all things are going on well.

Northern News. RICHMOND, April 1.—The Herald of the 30th received. Its situation article says it is now believed that the visit of the President to the army on the James is of more importance than is generally considered. Since he has been there, a council of war has been held, in which Lincoln, Grant, Sherman, Mead, Ord, Sheridan and other military chiefs participated. After it broke up, general movements in front of Richmond began. A Washington telegram to the Herald says Lee has renewed the request for a military convention to settle the matter and agree upon terms for a cessation of hostilities and the establishment of peace. Best informed officers here regard immediate peace as almost beyond a doubt. A rumor of another peace conference has revived additional confirmation from the fact that Seward has gone to James river to join Lincoln.

NEWS FROM MOSBY.—We are informed by citizens from upper Virginia, that on Saturday or Sunday, the 18th or 19th, Mosby, with about two hundred men, fell upon the 8th Illinois cavalry, near Hamilton, in Loudon county, and punished them very severely. The Yankees broke under his charge, and for several miles it was a running fight, until they gained the support of two infantry regiments, when Mosby drew off his men. The loss of the Federals is stated at 104, in killed, wounded and captured. Among the killed, it is reported, their were one lieutenant colonel and two captains. Mosby's loss was two killed and four wounded, and was sustained from the Yankee infantry. Private Keith, of Maryland, was one of the killed. A few days previous a scouting party of the enemy came upon Waller, of Mosby's command, and killed him as he was attempting to make his escape. [Sentinel.]
