The Greatest Discovery of the Age. DLANTERS, Farmers, Families, and others, can Purchase no remedy equal to Dr. Tobias' VENE-Colic, Croup, Cuts, Burns, Bruises, Swellings, Headache, Chronic Rheumatism, Toothache, Coughs, Vomiting, Pains in the Limbs, Back, Chest, &c. If it does not give relief, the money will be refunded. All that is asked is a trial, and use it according to the Directions. It is an English remedy, and was used by William the Fourth, late King of England, and certified to by him as a cure for the Rheumatism, when everything else had failed. Over 10,000,000 of Botave been sold in the United States, without single failure, and many have stated, they would not be without it, if it was \$10 per bottle in case of Croup, as it is as certain as it is applied. It cures Cholera when first taken, in an hour; Dysenterry in half an hour; Toothache in five minutes. It is perfectly innocent to take internally, and recommended by the most eminent Physicians in the United States. Price 25 and 50 cents.

Dr. Tobias could fill a dozen Newspapers with certificates of Cures accomplished by his Limment, but considers warranting it sufficient, as any person who does not obtain relief need not pay for it. Dr. Tobias has put up a Liniment expressly for Horses in Pint Bottles, which is warranted cheaper and better than any other for Colic, Galls, Cuts, Bruises, Swellings, Scratches, &c. Price 50 cents. STABLER'S DIARRHŒA CORDIAL Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy con dition of the LIVER, thus removing the cause at the same time that it cures the disease.

Stabler's Anodyne Cherry Expectorant Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Advanced It combines, in a scientific manner, remedies of long

and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases. The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed. They are offered to the Country Practitioner, as Medicines which he can in all respects depend upon, as pre-

serving his convenience, who cannot so readily as the ed by a practical Pharmaceutist. See the descriptive Pamphlets, to be had gratis of all

Doct. L. D. HANDY writes, "I have administered your Anodyne Expectorant in several cases of Bronchial Affection, with the most happy results, and from a knowledge of its admirable effects, I can, with the greatest confidence, recommend it," &c. Poct. W. S. Love writes to us that he has adminisered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast re-
