SPECIAL NOTICES.

WORMS! WORMS !- A great many learned treatises have een written, explaining the origin of, and classifying the orms generated in the human system. Scarcely any topic medical science has elicited more acute observation and rofound research ; and yet physicians are very much divided opinioa on the subject. It must be admitted, however, that, Johnston's Chcap Boot and Shoe Store, fter all, a mode of expelling these worms, and purifying the ody from their presence, is of more value than the wisest squisitions as to the origin. The expelling agent has at mgth been found-Dr. M'Lane's Verifuge is the much sought take. Call and see-at the sign of the fter specific, and has already superceded all other worm redicines, its efficacy being universally acknowledged by nedical practitioners.

By Purchasers will please be careful to ask for Dr. Mc. Lane's Celebrated Vermituge, and take none else. All other Vermifuges, in comparison, are worthless. Dr. McLane's genuine Virmifuge, also his Celetated Liver Pill, can now be ad at all respectable Drug Stores in the United States and lanada. I have been afflicted for forty years with cruptions on my legs and feet; in 1818 they got so had that I had to go on cr.tches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large cating and running sores from my knee to my foot, and discharged a gaeat deal of offensive matter. My groin also broke out in large biles, which discharged much clicksive matter, and at the same time my left hard bloke cut in large running sores nearly to my elbew. The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never l'issues, Printed Jackonet, figured and solid colors, rested day or night. Lawns, Embroidered Skirts, Talmas, Mantillas, Visites In October last my son brought me one of your bottle and White Crape Shawls, Ginghams, Calicoes and Muswrappers : I read it, and found record of some wor derful cures performed by your 'Extract of Yellow Dock and Sarsa; arilla,' I sent and got two bottles of it, and commenced taking it .-In two weeks, to my great astonishment, my sores all lecame ensy, and I could sleep all night, a thing I had not done for two years.
