STABLER'S DIARRHŒA CORDIAL Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy con dition of the LIVER, thus removing the cause at the same time that it cures the disease.

Stabler's Anodyne Cherry Expectorant Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Advanced Stages of that Fatal Disease It combines, in a scientific manner, remedies of long

esteemed value, with others of more recent discovery; and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably n curing the diseases for which they are prescribed I'HE Subscriber respectfully informs the public that They are offered to the Country Practitioner, as Medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the city Physician, have his own prescriptions compound-

ed by a practical Pharmaceutist. See the descriptive Pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors Martin, Baltzell, Addison, Payne HANDY, LOVE, &c.

Doctor S. B. MARTIN says, "I do not hesitate to recommend your Diarrhoa Cordial and Anodyne Cherry Doct. John Addison says, "It gives me much pleasure to add my testimony to that of others, in favor of the extraordinary efficacy of your Diarrhoa Cordial,

&c.; and of the Expectorant, "I have no hesitation in

recommending it as a most valuable medicine." &c.

Doct. R. A. PAYNE says he has used the Diarrhæa Cordial in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession." Poct. W. S. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel. SIXTEEN of the best Apothecaries and Pharmaceu rists in the City of Baltimore, write, " We are satisfied the preparations known as Stabler's Anodyne Cherry Expectorant and Stabler's Diarrhoa Cordial, are med icines of GREAT VALUE, and very efficient for the relief and cure of the diseases for which they are recommeded; they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in

TWENTY-Seven of the most respectable Merchants, residents of MARYLAND, VIRGINIA and NORTH CAROLINA, who have sold and also used these medicines themselves, say, "From our own experience and that of our customers, we do confidently recommend them Pro Bono Publico. We have never known any remedies used for the disease for which they are prescribed, to be so effi cient, and to give such entire satisfaction to all."

The above notices of recommendation from members of the Medical Faculty, Pharmaceutists of high standing, and MERCHANTS of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alla" Store.keepers generally.
