The President and Directors of the Literary Fund having made distribution of the nett income of said Fund for the year 1854 among the several Counties of the State for Common Schools, have directed the following Tabular Statement to be published, showing the Spring and Fall distribution to each County, and the sum total distributed during the year. The amount of the Fall distribution will be paid to the persons entitled to receive the same on ap-

plication to the Treasury Department. The Counties of Jackson, Madison and Yadkin will receive their portion from the Counties from

which they were respectively formed. The Public Treasurer will pay to the County of Yadkin seventy-five dollars, which was erroneously

deducted from that County in 1853 for one Deaf-mute, and charge the same to the Institution for the Deaf and Dumb and Blind; and will also pay the sum of seventy-five dollars to the County of Burke. which was erroneously deducted from the share of that County in the year 1853.
