pose of other governments, and to repel it from our largement of the rights of neutrality, and elevate Jerry. and liberalize the intercourse of nations; and by such just and honorable means, and such only, whilst exalting the condition of the Republic, to assure to it the legitimate influence and the benign authority of a great example amongst all the powers of Christendom.

Under the solemnity of these convictions, the blessing of Almighty God is earnestly invoked to that, with common zeal and common efforts, we it had done any serious damage. nary, in humble submission to the Divine will, cooperate for the promotion of the supreme good of these United States.

FRANKLIN PIERCE. Washington, Dec. 4, 1854.

Early Character.

"There is nothing I despise so much as to see a boy with a cigar in his mouth." Thus remarked one of the wealthy and most respected business men of East Boston, standing at the door of the a boy walked in, puffing a cigar. Sympathizing charge all the duties of teacher. somewhat with the gentleman, we fell into the following reflections :

We imagined that in the course of human events this boy might be induced to apply at the grutleman's counting room for employment. The merchant's remembrance of his act of youthful dissipation would probably not be to the benefit of the applicant. The merchant would be likely to judge bred people) is exceedingly annoyed with the smell power, and full of admonition. of cigar smoke. He despises the practice of smok. It is remarkable that tobacco, the taste of which

credit.

our neighbor of the "Whig," which was copied by own; never to shrink from war when the rights and all the leading journals of the South. We hope the honor of the country calls us to arms, but to the Legislature will pass the bill, and we think that cultivate in preference the arts of peace, seek en- wish will be cordially responded to by all who know

> Fire.

Yesterday, at 1 o'clock, we were startled by the alarm of Fire, and following the crowd, we soon ascertained that the U.S. Branch Mint was in blaze. The fire was discovered before it had made attend upon your deliberations, and upon all the much progress, and by the active exertions of those counsels and acts of the Government, to the end who were early at the place, was extinguished before

The fire is supposed to have originated by a spark from the chimney falling upon the shingleswhich are old and very dry. We hope this will be a warning which will be improved by hastening the formation of a Fire Company.

FF We are authorized to state that the exerrises of Providence Academy will be resumed on the 2nd of January next. We are gratified to learn that Mr. KUYKENDALL's health has greatly improved, Postoffice waiting for the distribution of letters, as and by the opening session he will be able to dis-

> Mr. Kuykendall is a gentleman of classic attainments and large experience, and the youths who have been educated at his school show the effect of careful and accurate training.

The Force of Habit.

A celebrated writer affirms that "tobacco is unfavorably of the young man's character as to used among no less than eight hundred millions temperance and sobriety, and would think himself of men." Opium and other narcotics also have justified in doubting the independence and stamina | their millions of devotees. The craving for such of one who evidently for no better reason than unrcotics, and the habit of gratifying it, are debecause others do so, and probably because he scribed as little less universal than the desire for thought it would give him a manly air, contracted the consumption of the necessary material of our the offensive and unnatural hathi of smoking in common food. What a commentary upon the boyhood. The very act would seem to argue power of habit! The story of Coleridge, me cel- all gratted and consisting of thirty or more varieties mental or moral deficiency, and perhaps both, ebrated poet and philosopher, and that of De of the choicest kinds. The trees are from one to four Little things are sometimes attended with great Quincy, the far-famed English opium eater, are results.
