Far and near my spirit hath roamed, In search of a place where it might rest; Often in despair it hath groaned, But never hath it been truly blest.

From place to place condemned to rove, From country, village, town to city; Forever and ever on the move, Without a single heart to pity.

To-day, the swift-gliding cars I take, To-morrow, I'm aboard the stages, The next upon the boisterous lake, I sit and pen my journal's pages,

Anon upon the river's tame tide Where noble steamers rapidly ply, And then upon the Ocean wide Where silvery crested waters hie.

With beauties bright in other lands I've listen'd to music's softest strain, Clasped their fair and jewelled hands And striven to love but all in vain. At home, abroad, where'er I've rambled,

In vain I've sought for a kindred heart, My spirit is still untrammelled, Still untouched by Cupid's wing'd dart.

And thus I must wander o'er the track That destiny has marked for me, Until journeying no joy throws back, My life is like an unsettled sea.

No green-clad Oasis ever rise Within the barren waste that is 'round; No sun-lit beauty brightens the skies, One dark black cloud on all sides is found.

Thus wandering ever I must go 'Till the awfully still hand of Death, In the silent grave shall fay me low Free from all the miseries of earth.

A VALUABLE FAMILY MEDICINE .- So celebrated has Dr. M'Lane's Vermifuge become, that it is regarded as the only specific cure for worms. Families should never be without a supply of it. At this season particularly, when worms are so troublesome and frequently fatal among children, parents should be watchful; and on the first appearance of those distressing symptoms which warn as of their presence, at once apply this power.ul and efficacious remedy. We are confident that it only requires a trial, to convince all that it richly merits the praises that have been lavished upon it. It is safe and infalliable. Volumes of certificates can ville, Tenn. be produced, showing its great medical virtues.

17 Purchasers will be careful to ask for Dr. Mc-LANE's Celebrated Vermifuge, and take none else. All other Vermifuges, in comparison, are worthless. Dr. M'Lane's genuine Vermifuge, also his Celebrated Liver Pills, can now be had at all the respectable Drug Stores in the United States and Canada.

THAT COMMISSION HOUSE OF TINLEY & HERRON'S, CHARLESTON, S. C.

THE only house doing business in that city that ac-I tually had any experience in Receiving and Forwarding of Goods previous to the South Carolina Railroad quitting the business in July last, is still open for the RECEIVING and FORWARDING of all kinds of Goods, Wares, Merchandise, Machinery, Produce, &c. If you want your goods forwarded without the vexatious delays and enormous expense bills paid the last season, and at the same time have your business done in such a manner that somebody will be made responlotte on the 4th Monday in April next, and plead, ansible for the damaged and lost packages, consign them swer or demur, or judgment pro confesso will be taken to TINLEY & HERRON, who have Received and Forwarded all Coods consigned to them during the past season without any extra charge over those established rates as given below, and up to this time have not

encountered a solitary complaint. Our Mr. Herron was Clerk of the Receiving and Forwarding Department of the South Carolina Railroad for the past seven years, and is perfectly familiar with all their books, freight tariffs and rules of shipment, both by railroads and vessels, together with the mode of procedure to secure damages and pay for lost articles from other parties, the proper steps of which will be taken in all such cases without loss or delay to the owners. Another important advantage is that his thorough knowledge of all freights and rules of shipment, enables him instantly to detect and correct any overcharge in the bills of lading, which in all cases has to be done at that time, or be lost to the owner, in many instances greatly exceeding the commissions we charge. He was also raised in Charleston, is perfect. ly acclimated, and free from the contagions of that city, therefore we will under all circumstances faith-

fully discharge any business entrusted to us. All produce, such as Wheat, Flour, Corn, Corn Meal Bacon, Lard, Butter, Eggs, Cotton, Rice, Rye, Oats, Hay, Tobacco, Wool, Feathers, Beeswax, Potatoes, Onions, &c., consigned to us, will be promptly sold and proceeds returned, without keeping the money a few months to speculate upon; for we wish it distinctly understood that we engage in no speculation whatever, all that we want is our commission, as follows : For Receiving and Forwarding all ordinary packages of goods, 10 cents; large packages of forniture and machinery, charges according to responsibility. Iron and steel in loose bars, 10 cents per hundred ibs. and storable for advancing freights, and charges 21 Court of Pleas and Quarter Sessions, January per cent, which you can save by depositing the money with us; for selling produce 21 per cent.
