A VALUABLE FAMILY MEDICINE.-So celebrated has Dr. M'Lane's Vermifuge become, that it is regarded as the only specific cure for worms. Families should never be without a supply of it. At this season particularly, when worms are so troublesome and frequently fatal among children, parents should be watchful; and on the first appearance of those distressing symptoms which warn us of their presence, at once apply this powerful and efficacious remedy. We are confident that it only requires a trial, to convince all that it richly merits the praises that have been lavished upon it. It is safe and infalliable. Volumes of certificates can be produced, showing its great medical virtues.

Lr Purchasers will be careful to ask for Dr. Mc-LANE'S Celebrated Vermifuge, and take none else. All other Vermifuges, in comparison, are worthless. Dr. M'Lane's genuine Vermifuge, also his Celebrated Liver Pills, can now be had at all the respectable Drug Stores in the United States and Canada.

THAT COMMISSION HOUSE OF TINLEY & HERRON'S,

CHARLESTON, S. C.

THE only house doing business in that city that actually had any experience in Receiving and Forwarding of Goods previous to the South Carolina Railroad quitting the business in July last, is still open for the RECEIVING and FORWARDING of all kinds of Goods, Wares, Merchandise, Machinery, Produce, &c. If you want your goods forwarded without the vexatious delays and enormous expense bills paid the last season, and at the same time have your business done in such a manner that somebody will be made responsible for the damaged and lost packages, consign them to TINLEY & HERRON, who have Received and Forwarded all Coods consigned to them during the past season without any extra charge over those established rates as given below, and up to this time have not

encountered a solitary complaint. Our Mr. Herron was Clerk of the Receiving and Forwarding Department of the South Carolina Railroad for the past seven years, and is perfectly familiar with all their books, freight tariffs and rules of shipment, both by railroads and vessels, together with the mode of procedure to secure damages and pay for lost articles rom other parties, the proper steps of which will be taken in all such cases without loss or delay to the W. W. Elms, owners. Another important advantage is that his thorough knowledge of all freights and rules of ship-WIIITLEY, late of McKinley, Ala., to Miss ESs ment, enables him instantly to detect and correct any overcharge in the bills of lading, which in all cases has to be done at that time, or be lost to the owner, in many instances greatly exceeding the commissions we not be served on him: It is therefore ordered by the charge. He was also raised in Charleston, is perfect. Court that publication be made for six weeks in the ly acclimated, and free from the contagions of that city, therefore we will under all circumstances faith-

fully discharge any business entrusted to us. All produce, such as Wheat, Flour, Corn, Corn Meal Bacon, Lard, Butter, Eggs, Cotton, Rice, Rye, Oats, on the 4th Monday of April next, and plead, answer or Hay, Tobacco, Woo', Feathers, Beeswax, Potatoes, Onions, &c., consigned to us, will be promptly sold and proceeds returned, without keeping the money a few months to speculate upon; for we wish it distinctly understood that we engage in no speculation what-

ever, all that we want is our commission, as follows: For Receiving and Forwarding all ordinary packages of goods, 10 cents; large packages of ferniture and machinery, charges according to responsibility. fron and steel in loose bars, 10 cents per hundred ibs and storable for advancing freights, and charges 21 per cent, which you can save by depositing the money with us; for selling produce 21 per cent. We will also fill all orders in this market, making the best selections for our patrons, at 51 per cent.
