TINLEY & HERRON'S, CHARLESTON, S. C.

THE only house doing business in that city that ac-1 toully had any experience in Receiving and Forwarding of Goods previous to the South Carolina Kailroad quitting the business in July last, is still open for the KECEIVING and FORWARDING of all kinds of Goods, Wares, Merchandise, Machinery, Produce, &c. If you want your goods forwarded without the vexatious delays and enormous expense bil's paid the last season, and at the same time have your business done in such a manner that somebody will be made responsible for the damaged and lost packages, consign them to TINLEY & HERRON, who have Received and Forwarded all Coods consigned to them during the past season without any extra charge over those establisa ed rates as given below, and up to this time have not encountered a solitary complaint.

Our Mr. Herron was Clerk of the Receiving and Fowarding Department of the South Carolina Railroad for the past seven years, and is perfectly familiar with all their books, freight tariffs and rules of shipment, both by railroads and vessels, together with the mode of procedure to secure damages and pay for lost articles from other parties, the proper steps of which will be taken in all such cases without loss or delay to the owners. Another important advantage is that his thorough knowledge of all freights and rules of shipment, enables him instantly to detect and correct any overcharge in the bills of lading, which in all cases has to be done at that time, or be lost to the owner, in many instances greatly exceeding the commissions we charge. He was also raised in Charleston, is perfect. ly acclimated, and free from the contagions of that city, therefore we will under all circumstances faithfully discharge any business entrusted to us.

All produce, such as Wheat, Flour, Corn, Corn Meal Bacon, Lard, Butter, Eggs, Cotton, Rice, Rye, Oats, Hay, Tobacco, Wool, Feathers, Beeswax, Potatoes, Onions, &c., consigned to us, will be promptly sold and proceeds returned, without keeping the money a few months to speculate upon; for we wish it distinctly understood that we engage in no speculation whatever, all that we want is our commission, as follows: For Receiving and Forwarding all ordinary packages of goods, 10 cents; large packages of ferniture and machinery, charges according to responsibility. Iron and steel in loose bars, 10 cents per hundred ibs , for advancing freights, and charges two and a half per cent, which you can save by depositing the money with us; for selling produce 22 per cent. We will lections for our patrons, at 21 per cent. TINLEY & HERRON.
