BOUNTY LAND BILL.

S. W. DAVIS,
Attorney and Counsellor at Law,
CHARLOTTE, N. C.

ALL collections or other business attended to with promptness; particularly such as refer to the prosecution of Pension Claims, Land Warrants, and donations of Bounty Land against the General Government, under the late Bounty Land Law of March 3d, 1855, giving 160 Acres of Land to all Officers, Land and Naval, Commissioned or non-Commissioned, all Soldiers, Seamen, Clerks, or other persons, who have served in any of the Wars in which the United States have been engaged since 1790; and also to all Officers and Soldiers of the Revolutionary War, their widows and minor children.

Persons having such claims, by presenting them immediately, may secure an early issue of their certificates. Office, 5 doors south of Sadler's Hotel. tf3o

Respectfully Yours!

THE unsettled business of Pritchard & Caldwell, for 1854, has been placed in the hands of S. W. Davis for collection and settlement. Those indebted for that year will be doing us a great favor by closing their Accounts immediately, as we have invariably cash to pay, and "Money" now, as all must know, is a hard thing to borrow."

WHEAT MARKET,
Springs' Mills.

I wish to purchase three or four hundred thousand bushels of good merchantable wheat, for which I will pay the highest cash price.

Charlotte from its facilities of transportation is one of the best inland markets in the Southern States. I have erected large Merchant Mills contiguous to the Railroad capable of grinding three hundred barrels of flour per day, and to keep them running I must have wheat. So bring it along, if you want the highest figure for it.

I am prepared to grind for toll. If you want flour whose brand will be sufficient to sell it in any market in the world, here is the place to have it manufactured.—These Mills have already made a reputation not inferior to any in the country.

"THE SPECTATOR."

A WEEKLY JOURNAL PUBLISHED AT WASHINGTON CITY.

THE undersigned propose to commence about the first of June next, in the City of Washington, the publication of a weekly newspaper, to be called the Spectator, designed for general circulation among the people of the United States. Its columns will contain a full digest of the news of the day, foreign and domestic; a weekly review of finance and the markets; a synopsis of the proceedings of Congress during its session; tables of election returns, the important political action of State legislatures, and of party conventions; interesting miscellaneous and scientific matter; articles on agriculture; together with original articles upon the leading topics of the day. Much valuable information relative to the operations of the Executive Departments of the Government, together with the weekly list of new patents, will be found in its columns. A large portion of its space will be devoted to light literature, original and selected. Its location as the political centre of the Union, will afford opportunities always to procure the latest information on public affairs.

It is the intention of the undersigned to make the Spectator an acceptable visitor to every house in the Union, and it will therefore not assume on any occasion the position of a partizan paper, nor will it owe any allegiance to men; but entertaining fixed and decided views on questions of political economy, and upon our system of government, it will disseminate and promulgate them as occasion may require—always keeping carefully in view the interests of the country, growing out of foreign as well as domestic affairs.

The Spectator will be printed in quarto form, on good paper and new type; each number containing eight pages of matter, making one volume annually of 416 pages. Each volume will be accompanied by a full and complete index of its contents, thus making it a most valuable paper for preservation and reference. It will be published every Saturday morning, at $2 per annum, payable always in advance. No paper will be continued beyond the time for which it is paid.

All subscription and communications on business should be addressed to the undersigned at Washington, D. C.

TO THE PATRONS OF
PERRY DAVIS'
VEGETABLE
PAIN KILLER.

Owing to the large amount of Counterfeit Pain Killer put up and sold as genuine by unprincipled men, we have been obliged to resort to very expensive measures to protect ourselves pecuniarily, and the public from great injury, by buying and using their worthless counterfeits. The comparative plain and simple style in which our Pain Killer has been put up, has made it very easy for those disposed, to imitate it very successfully, as far as its external appearance, in style of bottle, lable, and color of the article; but we need not say that the compound is a miserable, filthy production, and calculated to do great injury to those who might use it with the confidence that they have been accustomed to use the genuine Pain Killer. Parties whose business it is to counterfeit valuable preparations, do it in such a secret manner, that it is almost useless to attempt to punish them by legal measures, as it is difficult, and we might say impossible to bring the proof home to them.

Consid ring the great difficulty in protecting ourselves and the public by prosecuting parties, we have been to a very great expense in getting up a finely executed

STEEL ENGRAVED LABEL,

for our bottles. We also attach to our bottles a Steel Engraved Note of Hand, which we issue as our obligation, and to counterfeit which is held to be forgery by the laws of the United States, and which parties will not dare attempt to do. The great expense attending the getting up and printing of these labels will prevent the attempt to counterfeit, thus securing to the public that the article they purchase is the genuine Perry Davis' Pain Killer, manufactured by Perry Davis & Son, Sole Proprietors.

The Pain Killer will be put up in a new style of paper bottle, with the words,

Davis' Vegetable Pain Killer,

blown in the Glass. We have discontinued the use of the 37½ cent bottles and now put up only four sizes, viz: 12½ cents, 25 cents, 50 cents and $1 per bottle.

We have also a very fine Engraving on Stone for the Box labels, specifying the contents of the box, where and by whom manufactured, &c. We have also added to our Pamphlet of directions and certificates a cover beautifully finished, presenting on the first page a very excellent likeness of Perry Davis, the original inventor of the Pain Killer. The bottle labels, and one label on each box, has also a correct likeness of Perry Davis, which it will be impossible to counterfeit successfully.

We have been to this expense, that the public might have perfect confidence that they were getting the genuine article when they buy a bottle as above described. To those who have so long used and proved the merits of our article, we would say that we shall continue to prepare our Pain Killer of the best and purest materials, and that it shall be every way worthy of their approbation as a family medicine.

PERRY DAVIS & SON,
Manufacturers and Proprietors.

Providence, R. I., July 27th 1855.

The Pain Killer is sold by

PRITCHARD & CALDWELL, Charlotte, N. C.; Isaac Sill & Sill, Salisbury; Boatright & Barkuloo, Columbia; and by Druggists, Grocers and Medicine Dealers generally.
