FLORIDA LAND AGENCY.

THE undersigned has established an agency in the I town of Alligator, Columbia County, Fla., for the purchase, sate or location of Land Warrants, the purchase and sale of lands generally, improved and unimproved. The fact now being established that a Rail Road is to be constructed immediately, connecting the Atlantic and Gulf of Mexico, runing through the entire length of the county, East and West, and in view of the great fertility of our soi, the unusually fine growth of pine timber on the land, the healthfu ness of the climate, and the reasonable terms on which ands can now be obtained, there is perhaps no section of the Union which affords equal inducements to the emigrant from the older States. Having had some experience in farming on the different kinds of land, and acquired a Remeay for Dyspepsia. general knowledge of them throughout the county, and having acquired unusual acilities for pointing out such as are for sale either of public or private lands, he feels very confident of making it the interest of all persons wishing information, or who may have deter-

mined to sett e in Florida to call on him. W. O. JEFFREYS. References. HON. E C. CABEL HON. A. E. MAXWELL >Tallahassee, Fla. HON. D. S. WALKER, State Register. H. C. McLean, Esq. | Carthage, N. C. DR. S. C. BRICE, REV. G. McNerll } Fayetteville, N. C.

THE SCIENTIFIC AMERICAN.

ELEVENTH YEAR. Splendid Engravings and Prizes. THE ELEVENTH ANNUAL VOLUME of

this useful publication commences on the 17th day of September pext. The · Scientific American" is an Illustrated Periodical, devoted chiefly to the promulgation of information relating to the various Michanic and Chemic Arts, Industrial Manufactures, Agriculture, Patents, Inventions, Engineering, Millwork, and all interests which the light of Practical

Seience is calculated to advance. Reports of U. S. Patents granted are also pubtished every week, including Official Copies of all the Patent Claims, together with news and infor-

mation upon thousands of other subjects. The Contributors to the Scientific American are among the most eminent Scientific and practical men of the times. The Editorial Department is universally acknowledged to be conducted with great ability, and to be distinguished, not only for he excellence and truthfulness of its discussions, but for the learlessness with which error is combated and false theories are exploded.

Mechenics, Inventors, Engineers, Chemists, Manufacturers, Agriculturists, and people of every profession in life, will find the Scientific American to be of great value in their respective callings. Its counsels and suggestions will save them hundreds of dollars annualty, besid s affording them a continual source of knowledge, the exper-

1-5w. "THE SPECTATOR." A WEEKLY JUERNAL PUBLISHED AT WAS HINGTON CITY. HE undersigned propose to commence about the first of June next, in the City of Washington, the publication of a weekly newspaper, to be called the Spectator, designed for general circulation among the people of the United States. Its columns will contain a full digert of the news of the day, foreign and demestic; a weekly review of finance and the markets; a synopsis of the proceedings of Congress curing its session; tables of election returns, the important political action of State legislatures, and of party conventions; interesting miscellaneous and scientific matter; articles on agriculture; together with original articles upon the leading topics of the day. Much valuable information relative to the operations of the Executive Departments of the Government, together with the weekly list of new patents, will be found in its columns. A large portion of its space MR. RAMSEY, of Colum-bia, So. Ca., Pinno will be devoted to light literature, original and selected. Its location as the political centre of the Union, will at-

Mr. R. being a practical Piano Maker can insure to system of government, it will disseminate and promulgate them as occasion may require-always keeping carefully in view the interests of the country, growing out of foreign as well as domestic affiirs. The Spectator will be printed in quarto form, on good paper and new type; each number containing eight pages of matter, making one volume annually of 416 page ... Each volume will be accompanied by a full and complete index of its contents, thus making it a most value. de paper for preservation and reference. It will be published every Saturday morning, at \$2 per annum,

> beyond the time for which it is paid. All subscription and communications on business. should be addressed to the undersigned at Washington, D. C. AUC. F. HARVEY & CO. Washington City, May 22, 1855.

payable always in advance. No paper will be continued
