PAIN KILLER Owing to the large amount of Counterfeit Pain Killer put up and sold as genuine by unprincipled men, we have been obliged to resort to very expensive measures to protect ourselves pecuniarity, and the public from great injury, by buying and using their worthless coun, terfeits. The comparative plain and simple style is which our Pain Killer has been put up, has made it very easy for those disposed, to imitate it very succes. fully, as far as its external appearance, in style of bottle, lable, and color of the article; but we need not say that the compound is a miserable, filthy production, and calculated to do great injury to those who might use it with the confidence that they have been accustomed to use the genuine Pain K.ller.
