**WHEAT MARKET, Springs' Mills.**  
I wish to purchase three or four hundred thousand bushels of good merchantable wheat, for which I will pay the highest market price.  
Charlotte from its facilities of transportation is one of the best inland markets in the Southern States. I have erected large 20 millstone Mills contiguous to the Railroad, capable of grinding three hundred barrels of flour per day, and to keep them running I must have wheat. So bring it along, if you want the highest figure for it.  
I am prepared to grind for toll. If you want flour which will be sufficient to sell in any market in the world, here is the place to have it manufactured. These Mills have already made a reputation, not inferior to any in the country.

**TO THE PATRONS OF PERRY DAVIS' VEGETABLE PAIN KILLER.**  
Owing to the large amount of counterfeit Pain Killer put up and sold as genuine by unprincipled men, we have been obliged to resort to very expensive measures to protect ourselves pecuniarily, and the public from great injury, by buying and using their worthless counterfeits. The comparative plain and simple style in which our Pain Killer has been put up, has made it very easy for those disposed to imitate it very successfully, as far as its external appearance, in style of bottle, label, and color of the article; but we need not say that the compound is a miserable, filthy production, and calculated to do great injury to those who might use it with the confidence that they have been accustomed to use the genuine Pain Killer. Parties whose business it is to counterfeit valuable preparations, do it in such a secret manner, that it is almost useless to attempt to punish them by legal means, as it is difficult and we might say impossible to bring the proof home to them.  
Consider the great difficulty in protecting ourselves and the public by prosecuting parties, we have been to a very great expense in getting up a finely executed  
**STEEL ENGRAVED LABEL,** for our bottles. We also attach to our bottles a Steel Engraved Note of Hand, which we issue as our obligation, and to counterfeit which is held to be forgery by the laws of the United States, and which parties will not dare attempt to copy. The great expense attending the getting up and printing of these labels will prevent attempt to counterfeit, thus securing to the public that the article they purchase is the genuine Perry Davis' Pain Killer, manufactured by Perry Davis & Son, Sole Proprietors.  
The Pain Killer will be put up in a new style of panel bottle, with the words,  
**Davis' Vegetable Pain Killer,** blown in the Glass. We have discontinued the use of the 37 1/2 cent bottles and now put up only four sizes, viz: 1 1/2 cents, 25 cents, 50 cents and \$1 per bottle. We have also a very fine Engraving on Stone for the Box labels, specifying the contents of the box, where and by whom manufactured, &c. We have also added to our Pamphlet of directions and certificates a cover beautifully finished, presenting on the first page a very excellent likeness of Perry Davis, the original inventor of the Pain Killer. The great expense attending each box, has also a correct likeness of Perry Davis, which it will be impossible to counterfeit successfully.  
We have been to this expense, that the public might have perfect confidence that they were getting the genuine article when they buy a bottle as above described. To those who have so long used and proved the merits of our article, we would say that we shall continue to prepare our Pain Killer of the best and purest materials, and that it shall be every way worthy of their approbation as a family medicine.  
PERRY DAVIS & SON, Manufacturers and Proprietors, Providence, R. I., July 27th 1855.  
The Pain Killer is sold by Patrons & Carriers, Charlotte, N. C. also by Sill & Sill, Salisbury; Boatright & Barkloun, Columbia; and by Druggists, Grocers and Medicine Dealers generally.
