PERRY DAVIS' VEGETABLE

PAIN KILLER Owing to the large amount of Counterfeit Pain Killer put up and sold as genuine by unprincipled men, we have been obliged to resort to very expensive measures to protect ourselves pecuniarily, and the public from great injury, by buying and using their worthless count terfeits. The comparative plain and simple style in which our Pein Killer has been put up, has made it very easy for those disposed, to imitate it very succes. fully, as far as its external appearance, in style of bot. tle, lable, and color of the article; but we need not say that the compound is a miserable, filthy production, and calculated to do great injury to those who might use it with the confidence that they have been accustomed to use the genuine Pain Killer. Parties whose business it is to counterfeit valuable preparations, do it in such a secret manner, that it is almost useless to attempt to punish them by legal measures, as it is difficult, and we might say impossible to bring the proof

been to a very great expense in getting up a finely STEEL ENGRAVED LABEL

Considering the great difficulty in protecting our-

selves and the public by prosecuting parties, we have

for our bottles. We also attach to our bottles a Steel Engraved Note of Hand, which we issue as our obligation, and to counterfeit which is held to be forgery by the laws of the United States, and which parties will not date attempt to do. The great expense attending the getting up and printing of these labels will prevent the attempt to counterfeit, thus securing to the public that the article they purchase is the genuine Perry Davis' Pain Killer, manufactured by Perry Davis Son, Sole Proprietora.

The Pain Killer will be put up in a new style of panel

bottle, with the words,

Davis' Vegetable Pain Killer, blown in the Glass. We have discontinued the use of the 371 cent bottles and now put up only four sizes, wiz; 121 cents, 25 cents, 50 cents and \$1 per bottle.

We have also a very fine Engraving on Stone for the Box labels, specifying the contents of the box, where and by whom manufactured, &c. We have also added to our Pamphlet of directions and certificates a cover beautifully finished, presenting on the first page a very excellent likeness of Perry Davis, the original inventor of the Pain Killer. The bottle labels, and one label a each box, has also a correct likeness of Perry Davis, which it will be impossible to counterfeit successfully We have been to this expense, that the public might have perfect confidence that they were getting the genuine article when they buy a bottle as above described. To those who have so long used and proved the merits of our article, we would say that we shall con-

tinue to prepare our Pain Killer of the best and purest materials, and that it shall be every way worthy of their approbation as a family medicine. PERRY DAVIS & SON. Manufacturers and Proprietors,

COOKING, PARLOR AND OFFICE The Pain Killer is sold by PRITCHARD & CALDWELL, Charlotte, N. C; also by Sill & Sill, Salisbury ; Boatright & Barkuloo, Columbia; and by Druggists, Grocers and Medicine Dealers generally. July 27th 1855.
