PEACE IN EUROPE.

Our foreign news to-day contains the im portant atmouncement of Peace between the Allied Powers and Russia. This will have a decided bearing on commercial interestson cotton and breadstuffs particularly.

MR. FILLMORE.

We learn by the last steamer from Eucope that Mr. Fillmore was waited on by a body of Americans, at Rome, and informed of his nomination for the Presidency. He received the information with apparent indifference-not saving whether he would or would not accept. His silence, we have no doubt, "signifies consent."

KNOW NOTHING CONVENTION .-- The COM cord Gazette states that the Delegates from this Congressional District, to the Greensborough Convention, agreed that the Convention to appoint an "American" Elector, for this District, should be held in the town of Charlotte, on Wednesday the 14th of May, being the week of Mecklenburg Superior Court.

DIED,

On Sunday, the 6th of April, Mr. NICHOLAS TREDINICK, a respectable citizen of Mecklenburg county, aged about 40 years. In this county, on the 12th of April, Mrs. MA-

RY A. DOBY, wife of Mr. John Doby, and daughter of Wm. Ross, Esq., in the 31st year of her age.

The subject of this brief notice was one who "had been made to possess months of vanity," and to whom wearisome nights had been appointed. Her death, though long expected, has left an impress of sorrow and a deep sense of loss, on many hearts; among whom are included numerous friends and neighbors, whose friendship and esteem were manifested in unwearied attention of a separation which, however mournful and sad, has no remedy, save in the consolations of religion. Oh, the trying nature of those losses! Earth, with all its blessings, and Life with all its resources, cannot replace or make amends. But the event is rendered still more sorrowful and trying front the fact that three little ones are by deprived of a fond, but wise, judicious mother. To lose the training of a pious mother, is one of the severest and most lasting of femporal calamities. Yes, to have the dark sadness of a mother's death come over the young spirit, is one of the bitterest fruits that sin has caused us to taste .-Oh, who would not long for a residence in that blest clime of light and life, where there is no more curse forever! Where all tears are wiped of Groceries, and will endeavor to merit patronaway-no more death-bed scenes, nor parting hours ! To that happy land we have good reason to believe she has departed. Around her early grave linger the hopes of God's children; for down to that grave she went, in the exercise of a trust in Jesus, as her Saviour-a trust accompanied with a peace that increased as the hour of death approached nearer and nearer. And in the resignation which she was enabled, by the Grace of God, to exercise, was seen one of the most sig-nal triumphs of faith; for faith, perhaps, is never put to so severe a test, as when the mother is called to leave her infant, to turn upon it her back, and walk the "valley of the shadow of death.' Oh, to leave to the uncertain charities of the world, a little child, whose utter dependence and

JOINING THE DEMOCRACY.

The Pennsylvanian publishes a letter from William Sergeant, Esq., son of the late Hon. John Sergeant, and like his father, an carnest Whig. Speaking of the municipal contest in Philadelphia, Mr. Sergeant says :

"The contest now is essentially between the Democratic and Know-Nothing parties. The former, whatever may be its faults, is an open constitutional party-the latter with its grips and pass words-its oaths and secret meetings, opposed to the constitution, and the whole spirit of our institutions .-This being the issue, it has not cost me a a moment's reflection which side to oppose. I intend to devote myself as energetically as possible to the success of the Democracy."
