I staggerred to my feet latitude farther South, and who expected to en- and took a look at my shirt. The nails had all counter all the rigors of a Northern climate; but hilt their holt, and thar it wur hanging down, in-I believe it is a settled fact, that the winters are side out, and as stiff as ever It look like the map much warmer here than in the same latitude cast; of Mexico jist arter the fust battles-a patch of at all events, a pleasanter one than we are now en- my hide about the size of a dollar and a half bill joying, could not be wished even in Old Virginia. here; a bunch of my har about the size of a bird's nest thar; then some more skin; then some paste; then a little more har; then a little more skin; then more har; then skin; and so on all over that darned new fangled, everlasting, internal cuss of a shert. It wur a pictur to look at-an' so was I !-The hide, har and paste, were almost ekally diviher, thort when she cum home an' found me missing. Spect she thinks I crawled into a thicket and died of my wonds. It must hey skared her

"Now, George, if ever I ketch that lawyer Johnson out I'll shoot him, and ef ever an 'omen talks about flat'in' a shirt for me again, durn my everlastin' pictur ef I don't flatten her. It's rit-ribution sartin, the biggest kind of a preacher's regular rit-ribution. Do you remember my drivin' of dad through that hornet's nest, and then racin' of him inter the creek ?" "Yes."

"Well, this is what comes of it. I'll drown myself sum of these days, see if I don't die from that awful shert. Take a horn, and don't you try a tricky shert as long as you live."
