### THE TEN TRANS-ALLEGHANY COUN-TIES OF NORTH CAROLINA.

From a communication in the Raleigh Register we copy the following extracts concerning the counties west of the Blue Ridge, which will be found interesting and instructive:

census, be found to be equal to a tenth of the with his immediate neighbors. white population of the State.

Madison, Yancey, Cherokee, Jackson and Macon. he made his last visit to the Valley. \$2-in the entire State, nearly \$3 30.

No one of these counties has ever been fully explored, much less clearly described. Jackson is the least, and Buncombe the best known of all .-The latter will be much more generally and accurately understood at no distant day. Asheville, the county seat, is one of the most thriving villages in the State, and one of the prettiest in the

Greenville, in South Carolina, and Greenville, Tennessee, are just sixty miles distant-the former directly South, the latter directly North of Asheville. Daily stages carry the traveller to either place in 12 hours, and 24 hours is the time thence to Charleston or Richmond. A third road, branching from the Columbia and Greenville road,

A vein of limestone shows itself near King's and has been traced cropping out at intervals along our Southern boundary to the Southwestern corner of Henderson County. It is said that a quarry has recently been discovered in Cashier's Vallev. It is earnestly to be hoped that it is so. If as abundant in quantity and excellent in quality as the beds in Buncombe, it will prove of much bringing \$1,700,000 in gold. greater value to the country than all the gold and copper which are likely to reward the search of the county, he s been burnt. Loss \$100,000. thousands in that region, so intent upon the discovery of mineral wealth.

miles. The road, pursuing the general course of of three more. the Tuckascegee, is at present mountainous and side of the river, will soon be completed. A road Carolina and Tennessee, and add greatly to the Arenas to the Mosquito coast. wealth and population of the intervening country. interest in the northern portion of the county.

Proceeding South from Webster, we pass thro' the comparatively fertile valley of the Cullywhee, and at the distance of ten miles reach the summit of the steep and high mountain of the same name. From the top of the Cullywhee to the summit of the Blue Ridge, we have a plateau of ten miles in length, known as the Hamburg valley. This is probably the most elevated body of table land on the Hazard Powder Works, at Enfield, Connecticut, the continent east of the Mississippi. A good exploded this afternoon. Four workmen were road will in due time divide it longitudinally, in killed, three of them leaving families. nearly equal sections, and exhibit along its margins numerous beautiful and productive grazing farms. The soil is fertile, and will produce all the White clover is indigenous and may be found wash, caused by heavy rains, ten miles this side of few miles. everywhere in the valley and on the mountain Millan The engineer, by the name of Northy, tops, contending successfully with the other wild and two firemen, killed, and a machinist mortally grasses. > A TUNNEL STORY .- A correspondent of the Petersburg Express relates the following explosion: An amusing incident occurred on the cars of the Virginia and Tennessee Road, which must be preserved in print. It is too good to be lost. As the train entered the Big Tunnel, in accordance with the usual custom, a lamp was lit. A servant girl accompanying her mistress, had sank into a profound slumber, but just as the lamp was lit she awoke, and half asleep imagined herself in the infernal regions. Frantic with fright, she implored her Maker to have mercy on her, remarking at the same time, 'the devil has got me at last.' Her mistress, sitting on the seat in front of the terrified negro, was deeply mortified, and called upon her-'Mollie, don't make such a noise; it is I, be not afraid.' The poor African immediately exclaimed, thought if cher I got to the bad place, I would see you dar." These remarks were uttered with so much vehemence, that not a word was lost, and the whole coach became convulsed with laughter.

A rich man sent to call a physician for a slight "Yes," said the patient.

"Do you sleep well?"

"I do."

"Then," said the physician, "I can give you

NOTICE.

Ber The wide reputation which Dr. J. Hostetter Stomach Bitters" have attained during the past year bespeaks its excellence in a more forcible manner than

any words which we can offer. It renovates, purifies and strengthens the system, and aids the stomach in the performance of its functions. It is regarded on all sides as a sovereign specific, and, therefere, to procure it in the best possible way, should be the object of the public We commend it with more than usual zeal and confidence, believing and knowing, as we do, that it stands foremost among the many preparations of the day, for imparting strength; vigor and tone to the system, and possessing the curative powers for all similar diseases arising from a disordered stomach. In the most severe cases Watches, Clocks and Jewelry repaired and warranted. of cramps, diarhoea and weakness in the stomach. September 14, 1858 the greatest success.

For Sale by DR. H. M. PRITCHARD.

Almost exerybody has heard of "Wood's Hair Restorative." That the word "Restorative," in this case, is no the public, that he has leased this long established and misnomer, we have the testimony of individuals where well-known HOTEL, and will be prepared at all times elevated position in the country, as well as their render whatever they publicly assert in the last degree reliable. Several of these have tested, personally, the The Omnibus attached to the Hotel will be at the hair preparation we are now speaking of, and certify to Depot on the arrival of the several trains, to convey its amazing efficacy in the most public manner possible its amazing efficacy in the most public manner possible Their certificates can be seen at the proprietor's Depot 312 Broadway, New York, and once seen and properly appreciated, we have no hesitation in saying they will impress conviction on the most skeptical mind. Wood's Hair Restorative, is, doubtless, the best article of its
