**BRASS AND COMPOSITION
CASTINGS.**
I am prepared to manufacture all kinds of work in the
above line of business. I would call particular attention
to those that have mills or factories, or any kind of
machinery that needs composition of durability for mill
rims, that I have one of my own, and have never heard
of anything that would stand half equal to it. I will
warrant them to run five years. There are some of my
make that have been running fifteen and twenty years.
I would furnish more than a hundred certificates of its
durability.
To Persons needing Mill Inks and gudgeons I will
furnish the set for eight dollars. Try them and you
will see the trouble of stopping your mill when all
else is right.
