LIFE NOW-A-DAYS.

Life is but a span-of horses: One is "Age," the other "Prime: Up and down the hill our course is; "Go it ponies"-"make your time."

Boyhood plies the whip of pleasure; Youthful folly gives the stroke, Manhood goads them at his leisure. "Let 'em rip," "they're tough as oak."

"Hi, ya! there!" the stakes we'll pocket, To the wind let care be sent, Time 2.40. "Whip in socket, Give 'em string, and let 'em went."

On the sunny road to fifty, "Prime" is drowned in Lethe's stream; "Age" is left lame, old, unthrifty, Life then proves a one-horse team.

"Age" jogs on, grows quite unsteady, Reels and slackens in his pace; "Kicks the bucket" always ready; Gives it up-Death wins the race.
