

the fact that they dash as much as the richest of Coffee-SUGARS, the best article. their neighbors.

"For an American of fortune-real solid fortune -to dash into all this extravagance, is folly, but JUST RECEIVED, a superior article of HAMS, made and cured in Pennsylvania-a new article that man is guilty of downright wickedness who in this market. upon a little money goes to vast and foolish expense; for he must rob somebody to carry out his plans, or if he has enough to warrant it all, his children, when his fortune is divided among them, will have all the silly and extravagant notions of their father without the money to give them reali- A Rare Chance is now offered to buy one of the ty. Out of this miserable life there spring evils Handsomest Farms in Western North Carolina. worse than bankruptey. The sins of the father Father MIE subscriber being desirous to remove from the are visited upon the children to the third generation. Of what use to society are the children of which she now resides, lying 4 miles from Charlotte a silly ridiculous mother, who glories in her carpets and curtains, her carriage and her parties, and the fashionable training of her children.

"Nice creatures these for a life battle in a world where energy and industry and endurance are worth to them more than all the airs, graces and style that they learned in the paternal drawing of foreign masters. Out of this struggle to excel in this sort of life there spring, too, fraud and chicanery, and all manner of crime; for in the contest, gold, gold, is the end and aim of all-the means are not regarded. The sensible part of the community laugh at this folly, and laugh loudly, too, at the coarse vulgarity parading itself in gay equipages, and moving about with all the airs and affectations of snobbish high life-people elevated above their fellows by a stock operation or a rise in town lots, and rejoicing thereafter in flashy and in gaudy houses.

"If they made fools of themselves alone, it would all be proper enough. But the effect upon their families and upon society is most to be dreaded.

"In a country where the law divides among a Stock than usual !! man's heirs all his estate after death, unless disposed of by will, and when the chances are that the second generation, it is utter folly to build palaces to live in; far better would it be to expend the same money in building schools or founding asylums, the benefit of which the rich man's heirs may need. On, on goes our American life! Helterskelter, hurly-burly-on it goes. Dash-make a sensation-get money-honestly, if you can-get money; but educate children after the same fashion, and then die and be forgotten."-N. Y. News. HOUSE FURNISHING GOODS,

#### BUTTERMILK.

The New Orleans Medical Journal, quoting M. Ed. Robin, an eminent French Chemist, proposes buttermilk as a means of prolonging human life. By a plentiful and judicious use of good sour buttermilk you may live so long that you will forget your own name-grow out of the recollection of your oldest creditor-see the Washington Monument finished-the Deep River Navigation Stock at a premium of one hundred per cent-see a "new Venice" built down about Beaufort, besides other wonderful things.

It is thus: Man is a furnace in which there is a slow combustion going on, and when this combustion ceases, when heat leaves him, he is dead. Again, being a furnace and carrying on combustion like a furnace or chimney, he gets foul; hard incrustations form, stiffening the different parts of the body and rendering imperfect many of the vital processes. So after a while the system gets stiffened and clogged up and the individual is old.
