PREVENTIVE OF TYPHOID FEVER .- The Macon (Ga.) Telegraph says that the Medical Faculty of London, several years since, decided that those who live on molasses as a part of their diet never have the typhoid fever. The experience of a Mississippi plantation, referred to in the same journal, confirms the decision.

THE BLOUBADE. - In the last three months 14 vessels have entered the port of Charleston and thirty-three the port of Wilmington, N. C. During the same period \$180,000 have been paid to the Collector of the Port of New Orleans in duties on goods in spite of the blockade.
