If You Should Ever Get Married.

If you should ever get married, John,
I'll tell you what to do—
Go get a little tenement,
Just big enough for two!
And one spare room for company,
And one spare bed within it—
And if you'd begin love's life aright,
You'd better thus begin it.

In furniture be moderate, John,
And let the stuffed chairs wait;
One looking glass will do for both
Yourself and loving mate;
And Brussells, too, and other things,
Which make a fine appearance,
If you can better afford it, they
Will look better a year hence.

Some think they must have pictures, John,
Superb and costly, too;
Your wife will be a picture, John,
Let that suffice for you,
Remember how the wise man said,
A tent and love within it,
Is better than a splendid house,
With bickerings every minute.

And one word as to cooking, John—
Your wife can do that best;
For love, to make the biscuit rise,
Is better far than yeast.
No matter if each day you don't
Bring turkey to your table—
'Twill better relish by-and-by,
When you are better able.

For all you buy, pay money, John—
Money that very day;
If you would have your life run smooth,
There is no better way.
A note to pay is an ugly thing—
If thing you choose to call it;
When it hangs o'er a man who has
No money in his wallet.

And now, when you are married, John,
Don't try to ape the rich;
It took them many a toilsome year
To gain their envied niche.
And if you should gain the summit, John,
Look well to your beginning;
And then will all you win repay
The toil and care of winning.

ANECDOTE OF DR. BEECHER.—Dr Beecher and his daughter Catherine being on a visit to the old Connecticutt homestead, took occasion to go fishing together. After whipping the brook awhile, they become separated and the daughter returned home without any fish. Leaving the fishing tackle in the yard, a hungry fowl espied the baited hook, and innocently swallowed it, which of course, cost the biddy her life. The doctor having been unsuccessful as a sportsman, was about this time returning home, when he found that his horse, which he had left by the roadside, had broken loose, (as was apt to be the case when fastened by his master,) and it was only by some effort that the animal was captured again. As the doctor entered the house Miss Catherine said:

"Well, father, what have you caught?"

"A horse!" said the doctor a little gruffly. "What have you caught?"

"A hen!" was the equally brief answer.

A little girl once hearing the remark that old people had once been children, artlessly inquired, "Who took care of the babies?"

Albeit; it has now become a part of the common law in regard to the social relations of life, that as often as every bissextile year doth return, the ladies have the sole privilege during the time it continueth of making love unto men, which they may do either by words or by looks, as unto them seemeth proper, and, moreover, no man will be entitled to the benefit of clergy who doth refuse to accept the offers of a lady, or who doth in any wise treat her proposal with slight or contumely.

HOME PRODUCTION.

North State Washing Machine—Best in Use.

Patented October 15th, 1867, by the Subscribers and Manufacturers, at Charlotte, N. C.

If you need anything of the kind, you will encourage home industry by purchasing one of our Machines.

It is easy to operate, occupies a small space and does not injure articles to be washed. It is strong and substantial, and does its work in a short time. It is an actual improvement on others of similar outside appearance.

In the North State Washing Machine the Clothes are placed in hot suds and while thus immersed with the air excluded, the Machine is operated, giving the Garments a rolling, rubbing pressure, and at the same time they receive the solvent power of the soap.

The Clothes are not impaired by the use of this Machine. You can make money by saving the wear and tear which your Clothes are subjected to by washing and beating in the old way.

This Machine gives the advantage of using boiling suds and of confining the steam. It can be worked sitting or standing. It is cheap. The price of it puts it within reach of nearly every family, and pays its cost back in the saving of garments.

TRY IT! TRY IT!! BUY IT!!!

CERTIFICATE.

CHARLOTTE, N. C., Nov. 22d, 1867.

Messrs. Barnhardt & Houston:—After a fair trial of your Machine, I feel fully convinced that it is *the* best I have ever seen. I have had five or six different Machines since I have been a housekeeper, but always found the servants averse to use them, both on account of the labor and as they say the failure to get the "streaks of dirt" out of the clothes. This Machine is so easy in its operation and so perfectly cleans the clothes that I find no difficulty in getting them to use it. No family ought to be without one. Sincere wishes for your success.

Yours respectfully, MRS. M. A. BURWELL,
Charlotte Female Institute.

CHARLOTTE, N. C., Nov. 30, 1867.

Messrs. Barnhardt & Houston:—Sirs: I have tried your Washing Machine, and fully concur in everything that Mrs. Burwell says in regard to it.

Yours Truly, MRS. Dr. J. M. MILLER.

CHARLOTTE, N. C, Nov. 30, 1867.

Messrs. Barnhardt & Houston:—Sirs: The North State Washing Machine is really more than I expected, and can with candor say that there is no humbug about it. My servants say that it does its work as well as can be done by hand. And I take pleasure in recommending your Machine to my friends, and all who desire a labor-saving machine. Best wishes for your success.

Respectfully yours,

Important to Carolina Shippers.

THE NEW

Balt. & Carolina Grand Trunk FREIGHT LINE,

VIA PETERSBURG, VA.,

Comprising the following great Freight Routes:

THE POWHATAN STEAMBOAT
COMPANY'S FREIGHT LINE OF STEAMERS,
PETERSBURG AND WELDON,
RALEIGH AND GASTON,
NORTH CAROLINA,
WESTERN NORTH CAROLINA,
WILMINGTON AND WELDON,
ATLANTIC & NORTH CAROLINA,
WILMINGTON AND MANCHESTER,
CHARLOTTE & SOUTH CAROLINA RAILWAYS,
And their connections.

Time Quick and Rates Low.

This new trunk line forms a Great Freight Route between Baltimore and Weldon, Warrenton, Raleigh, Hillsboro', Lexington, Salisbury, Morganton, Charlotte, Lincolnton, Goldsboro', Newbern, Beaufort, Wilmington, Chesterville, Winnsboro', Columbia, Sumterville, Manchester, and all intermediate points on and near these great Railways and their connections.

The Powhatan Steamers connect at Petersburg with Petersburg Railway for all points in the Carolinas. Cars are run alongside of Steamers' Wharf, and goods transferred with careful handling.

CARS ARE RUN THROUGH WITHOUT BREAKING BULK

Between Petersburg and Raleigh, Charlotte, Goldsboro, Wilmington, &c., &c. This Inland Line possesses many advantages over a Sea Route. Marine risk is small and insurance is comparatively nothing. The Wharf of Fowhatan Steamers being situated in the very centre of the great Shipping District of Baltimore, renders it convenient to shippers, and drayage is very small.

Great attention paid to consignments of Cotton, Corn, Wheat, Rosin, &c., &c. All produce forwarded at the lowest possible rates.

☞ To insure transportation over this Inland Fast Line, mark all goods, whether Northward or Southward bound, "Via Petersburg."

☞ Freight landed in Baltimore day following delivery to the Steamers.

Through Receipts are given and fixed rate per 100 pounds guaranteed both ways.

☞ Rates in every case as low as via Bay Line and Portsmouth to and from Baltimore, Philadelphia and New York.

N. B.—With regard to last named points, freight is forwarded to and from Petersburg by Philadelphia and New York Steamers.

For rates and all further information, apply to any Freight Agent on the Line, or at the

I am happy to inform my old friends of Charlotte and the surrounding country, that I have again returned and resumed my old business among them, and am fully prepared to offer them the

Cheapest Stock of Goods

To be found at any other establishment in the City. Having recently lived in the Northern States, and with my old experience in the purchase of Goods, I am not prepared to say I will sell "below cost," or at a reduction on the original cost, or "at and below New York prices," but that I will sell as Cheap, if not Cheaper, than any other House, and at a small profit. As my stock was purchased for Cash, consequently I can afford to dispose of articles at a slight advance.

I have now in Store, and am constantly receiving, a choice assortment of

Dry Goods,

Ladies' Trimmings of the latest styles, Linen Table Damask, Linen Diaper, and all kinds of Flannels, Calicoes, brown and bleached Sheetings, black and colored Alpaccas, Ladies' and Gentlemen's Furnishing Goods, &c., &c. H. M. PHELPS,
