CHARLOTTE, N. C.

Labor Prospects at the North.

The great social problem at the North is how to take care of the unemployed poo of both sexes. Many thousands of both sexes are out of work, and they will become a source of terror, if not provided for in some way. The most pitiable case seems to be that of the female operatives. Ser-Winter, say that many mechanics will be \$188,592,483. ut out of employment by the eight hour The amount of sugar imported during the nearly 20 per cent since it came into opera- value of \$77,463,107, gold. tion.
