> This was how a poetic youth wanted to Kentucky, a young man from Washington county, Ind., on the grounds one day, fought and whipped three Kentuckians. Highly elated at the conclusion, amid a torrent of backwoods profanity, he exclaimed: 'I'm a hoosier,' from Leminouski's pronunciation of hussar. From that day to the present the term has been applied to all citizens of Indiana."-Chicago Inter-Ocean.

ORIGIN OF THE TERM LYNCH LAW .-Lynch law is the infliction of punishment on persons charged with heinous offenses have derived its name from John Lynch tive slaves and criminals, either white or time to prey upon the neighboring plantations. The colonial authorities of those days failing to pursue and recapture these desperadoes, John Lynch and his neighbors took the law into their own hands. There is a term of the same significance in

A RUSSIAN REFUGEE'S SAVINGS IN Eight Months.—A Russian Jew who came here eight months ago with \$4 in his pocket is now building two neat cottages on two city lots he has paid for. Inquiry opens the secret of his success. He has a family of five children, and each one of them is a worker, as is also his wife. He averages \$30 per week as a tailor, and each member of the family contributes something to the general income. If we were all without the false pride that holds a whole family idle and dependent on one man's labor we should have a prosperous community. There is Atlanta Constitution.
