ASTONISHING!!!

AMONG THE THOUSAND MEDICINES advertised as "certain cures for pulmonary complaints" JAYNE'S EXPECTORANT stands alone. Its path to public confidence has been paved, not with puff, but CURES; and the vouchers for its efficacy include an array of names which, for character and respectability, cannot be surpassed in this country. DR. JAYNE, being himself a Physician, does not profess to perform physical impossibilities; but he does assert, and he is borne out by well authenticated facts, that in ALL DISEASES OF THE LUNGS AND CHEST, which are susceptible of cure without miraculous interference, his EXPECTORANT will restore the patient to health. No other medicine will remove mucus or pus from the throat so thoroughly as this. It effectually loosens the congealed masses from the membrane which lines the trachea, and at every cough the patient will bring up portions of the disengaged matter. IN ALL COMPLAINTS OF THE PULMONARY ORGANS, even where nature seems to be making no effort to throw off the disease, JAYNE'S EXPECTORANT imparts vigor to the machinery of respiration, and enables them to disengage themselves of the obstructions which had impeded their free operation. It has restored hundreds to perfect health, after their physicians had given them up as incurable, with CONSUMPTION, Coughs, Colds, Asthma, Influenza, Bronchitis, Hooping Cough, Spitting Blood, in a word, all disease of a PULMONARY nature yield to this preparation, if properly administered.

JAYNE'S HAIR TONIC

NO APOLOGY FOR WIGS.
Please to read without prejudice the following communication, which in addition to hundreds of others equally respectable should remove the doubts of every reasonable person of the uniform and singular efficacy of JAYNE'S HAIR TONIC.
SHARTSBURY, Bennington Co., Vt., Aug. 4, 1840
Dr. Jayne: Dear Sir,—Being acquainted with some of those recommending your HAIR TONIC, to wit: Rev. C. C. Park, Rev. Dr. Babcock, and Rev. L. Fletcher, I purchased two bottles, with a view to make an experiment. I have been quite bald for about four years, and obliged to wear a wig. Indeed it is constitutional for my family to be bald in early life. I confess, I had but little confidence in the attempt, having been so long bald, and being near 46 years of age, and that part of my head destitute of hair exceedingly smooth. I however, commenced agreeable to your directions, and used one bottle faithfully, and with very little effect, but before I had used the second bottle, a very fine fuzzy hair became perceptible, which continued to grow, and now having used the third bottle, I have had three cuttings performed, and the prospect is very flattering, that I shall again be blessed with a fine head of hair, ornamental and useful. I am extremely gratified with the prospect, and from observations made, many of my friends, and acquaintances, who have heretofore regarded the preparation as deceptive, and only a catch-penny concern, are now well satisfied that it is "Truth—No Fiction."
J. W. SAWYER.
Pastor of the Baptist Church, Shaftsbury, Vt.

JUST RECEIVED

AT the Charlotte Drug Store, a large and fresh supply of invaluable Family Medicines, among which are
DR. SPENCER'S VEGETABLE PILLS

The thousands among us who use this medicine need not be told how high is the position which it sustains, nor of its paramount advantage over all other preparations of a similar character: But for the benefit of those who have not given it a trial, or who may be skeptical of its virtues, we insert the following certificate from Mr. Isaac M. Thomas, a highly respectable merchant of Talladega Springs, Alabama:
TALLEDEGA SPRINGS, Ala. Aug. 17, 1842.

This is to certify, that I have been afflicted with Sick-headache, Dyspepsia and Liver Complaint and Costiveness, for the last 8 or 9 years, during which time I had taken, as well as I recollect, about 60 boxes of Beckwith's Pills, 12 boxes of Peters' Pills, and a number of boxes of Champion's and Erandret's Pills, all of which afforded me but little or no relief. At last was recommended Dr. Spencer's Vegetable Pills, and well I did; for I never had but one attack of the Sick-Headache after I commenced taking the Pills, (now about six months,) and I candidly confess that I have derived more real benefit from the use of Spencer's Pills, than from all the other medicines and pills that I have ever taken, and I would earnestly recommend them to all, as being in my opinion, the best medicine in use for all lingering complaints. The Pills have done me so much good, that I would not feel to bewilder without them for five dollars a box; and I cannot but feel very grateful to Dr. Spencer for having prepared such a valuable medicine, and the distribution of it is conferring a very great favor on the public, as it is a thing of the utmost importance that every family should have a supply of Dr. Spencer's truly valuable pills constantly on hand.

Prove all thing and hold fast to that which is good.
None need suffer with that distressing complaint CHILLS and FEVERS, or FEVER and AGUE, for it is speedily and permanently cured by DR. HULL'S celebrated ANTI-FEVER PILLS. They never fail to cure the chills and fever the first day, when used according to direction, and do not sicken the stomach or operate upon the bowels. Thousands of certificates have been presented to the proprietor by patients of the first respectability, physicians of eminence and others who have used them.
The following certificate was given by three highly respectable Planters, near Life Post Office, Talladega Co. Ala., one of whom had used twelve boxes of the Pills in his own family.
This is to certify that we have used Dr. Hull's Fever and Ague Pills in our families in several cases of Fever, and Chills and Fever; and their administration has been attended with complete success. In no case have they failed to have the desired effect when used according to directions. We think they are a good Pill, and would cheerfully recommend them to all persons subject to Fever and Chills and Fever. Given under our hands,
