Poetry.

There's work enough to do.
The blackbird early leaves its nest
To meet the evening sun,
And gather fragrant for its nest
From upland, wood and lawn.
The busy bee that wings its way
To give him honey for his nest
At every flower would seem to say—
"There's work enough to do."

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.

There's work enough to do.
