Those wicked men are not without a by the delicium tremens, that lasted for the laster times, and the other laster times, and the other last the other. In order further the other last the It was a very singular salutation for one by the determine tremens, that instead for complete parallel in these latter times, and the treest country on passing out at the other. In order further Japanese took their liquor freely, especially by a counterpart of that with China, except, and the other liquor freely, especially by a counterpart of that with China, except, bearing the liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of that with China, except, land the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely, especially by a counterpart of the other liquor freely except liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely especially by a counterpart of the other liquor freely espe who had actually cut him that very day see the little fellow screaming at and jump the globe. There are men amongst us, the ing from the snakes that he thought he abolitionists, the freesoilers, and the agitapressed a hope that the time was at hand same privileges as America; not like the eign countries in steamers and ships of ry Pottinger, as is generally supposed, the

the did not actually enter it, at least was to ascertain, what, however, we believe a surveying party had done before, that close to the shore there is five fathoms water, so that it can be approached by large ships. The city is in the form of a crescent, and stands on an extensive plain, with a magnificent background of mountains and wooded country; but it seems to pos-Commodore Perry, in the Susquehanna, sess no striking public buildings, while the left the harbor of Hong Kong on the 14th dwelling houses are generally of one story, of January, accompanied by the Powhatan and therefore present nothing imposing in

> BE EPTION OF THE COMMODORE. On the 5th, the preparations were completed for the reception of the Commodore,

First-Hayashi, with the title of daigaku Second-Ido, Prince of Tsus-sima, (the group of islands lying between Corea and

Third-Idzuma, Prince of Mimasaki, (a Fourth-Udodo second assistant of the

SALUTING THE JAPANESE PLAG. The party being scated, the flag of Japan was run up on board the Powhatan, and saluted with twenty one guns from the launches, after which another salute of seventeen government. That they did not mean slaves it to make it occupy a smaller space than it ring the first interview, and the deputation guns was given to the Japanese High Commissioner, who, through the interpreters, turned to his office, and found an old woman "I can now be true to you," said be, is clear; for they saw slaves all around otherwise would, and then take away the took leave in good humour, which grew to presented his compliments and welcome to clad in wretched goroments, awaiting his bending over her face and imprinting a them. They knew them to be incapable of weight, and it comes back and occupies its ularly imquired about the health of the former. At a given sign, the servants in atten and suki, sweetments, and other conserves, and placed one beside each officer. The regalement seems to have been much the same as that which to Uhina cenerally The following day (14th) another inter- precedes the transaction of business with for-The following day (14th) another inter- precedes the transaction of business with forwhen the Japanese renewed their urgency there was time to take a note of the place about the meeting being held at Uraga, of meeting. The Hall, which had been run where on the previous occasion everything up with great celerity, was about fifty feet had passed in so amicable and pleasant a long, forty wide and twelve high, and surmanuer, and to which the Commodore had rounded with magnificent japonicas, some of said he would return. Finding that Uraga them thirty feet in height and in full bloom. was still objected to, they then proposed Seats and tables about two feet high coverwere some colonies that did not hold slaves, makes eighteen respirations in a minute, Kamakura, where the Macedonian had got ed with red cloth, extended the whole length ashere, and which they held to be a much of the apartment. The floor was covered more convenient place than Kanagawa, be- with white mats, about three feet long by tween the present anchorage and Yedo, as two wide, and the place was heated by high-

Several native artists were present taking

Vandalia to meet the Governor of the The refreshments being over, the Com-Province at Uraga. Capt. Adams was there informed by the Governor that everything was ready for considering the terms of a treaty between Japan and the United States, was covered with purple crape. The interthe Admiral) would come to Uraga, it would view lasted three hours, and as to the very be concluded before the going down of the sun. It is supposed, however, that what was here meant by a treaty was a favorable principal matter, was highly satisfactory. A very favorable answer was given to the President's letter, which we presume was reply from the Emperor to the President's in terms a repetition of President Fillmore's; letter on the subject. But Captaic Adams and it is stated that Commodore Perry was reiterated that the Commodore would not going to Louisian to Louisi come to Uraga, where he had found the anchorage to be indifferent, but would meet the Japanese Commissioners at Yokohams, off the present anchorage of the flag ship, ten to twenty miles from Uraga. Captain Adams rejoined the samples of the flag ship, and Japanese was not in the flag ship. Adams rejoined the squadron on the 24th and Japanese, was put into the hands of the February, and the following day the Japan. Commissioners, who said that it would replace of meeting, when the Commodore, amongst other things, told them that, having been entrusted with so many ships, which man, who would require to consult his Couneil before giving a final answer; and the Commodere was reminded that the Japanty, and experience proved to him that Ura- ese did not act with the same rapidity as ga did not offer so secure an anchorage as Americans did: which was thus illustrated: sued, but finally it was arranged that the siring to visit the American ships, one would say, "It is a beautiful morning?" to which another would add, " How pleasant it is!" Then a third would remark, " There is not Eleven days afterwards the meeting took then a wave to be seen upon the water;" at

That the preliminaries of a treaty would when they would be at liberty to visit for- Chinese, from whom, and not from Sir Hen-
