From the St. Louis Republican. DIXSOLVE THE ENION. Dissolve the Union! Who would part The chain that binds us heart to heart ? Each link was forged by sainted sizes And nontenanth where - rich a flood, in Warren and in Sumter's blood.

Dissolve the Union ! Be like France When "Terror" reared her bloody lance, And Man become destruction's child, And woman, in her passion wild, Denced in the life blood of her Queen, Beside the dreadful guillotine !

Dissolve the Union! Roll away Blot out the history of the brave, And descente each Patriot's grave; And then, above the wreck of years, Quatt un eternity of teurs.

Dissolve the Union ! Can it be That they who speak such words are free? Great God! Did any die to save Such sordid wretches from the grave— When breast to breast, and brand to brand, Our patriot father's freed the land?

Dissolve the Union! Ho! Forbear The sword of Damueles is there Cut but the heir and earth shall know, A darker, dandher tale of wo. Then Hist'ra's crimson page has told, Since Nero's car in blood e'er rolled.

Disenter the Union! Speak, ye hills, Ye everlacting mountains cry : Shriek out ye streams and mingling rills, And ocean rear in agany; Dead Heroes! leap from Glory's and!

It is a proud showing for the State,-for her sons and her

daughters. It cannot be expected that we should particularize any of the articles on exhibition. That would be invidious. When the miums awarded is made out we shall publish it. We shall probably do so in our next.

Interesting meetings of the State Society have been held each evening during the interchanges of opinion in julged. These meetings, indeed, constitute one of the most important features of these occasions,
