M'LANE'S LIVER PILLS,

PREPARED BY FLEMING BROS., PITTSBURG, PA.

From the unsolicited testimony continually of- fered from all quarters of the country, it is impos- sible to resist a conviction of the great excellence of these Pills in all diseases of the Liver and Stomach. The following letter from Toronto, Canada, is one of the many the proprietors have received:

TORONTO, April 27th, 1854.

MESSRS. FLEMING BROS.,

Dear Sirs—I take this opportunity of informing you of the benefits I have derived from Dr. M'Lane's valuable Pills. I have for two years past been afflicted with a severe pain over the eyes, accompanied with a nervousness and sense of diz- ziness; a malady beyond the power and skill of the physicians to relieve and cure, caused, as far as I myself could judge, by a diseased state of the liver and stomach. Some of the doctors tried bleed- ing, and various other remedies were tried, but all in vain, for the deep-rooted disease still stuck by me. At last I procured a box of your valuable Liv- er Pills from a Druggist here, and feel, after taking a portion of them, that the disease and painful sen- sation over the eyes has almost entirely left me. I can recommend you by advising all those afflicted as I have been, to procure the valuable medicine at once, as it will save much time and pain, with little expense. With sincere gratitude and respect, I remain yours, respectfully,

GEO. W. RUSSEL, Toronto.

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manu- factured by FLEMING BROS., of PITTSBURGH. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's gen- uine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. Be sure to receive without the signature of FLEMING BROS.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

Dr. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR;

From the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two to three bottles will clear the system of Boils.

Two bottles are warranted to cure the worst can- ker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all hu- mor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure scro- fula and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that no- thing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c. the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years doesett spoonful. Children from five to eight years, teaspoonful.—As no directions can be applicable to all constitu- tions, take sufficient to operate on the bowels twice a day.

Machine Belt Clasps,

for connecting Belts or Bands together, to run on Machinery.

This clasp is made of plates of metal fluted out on the inside, making teeth sharp enough to pres- sure the Belt and hold it, without cutting into and impairing its strength, as is the case with making holes to lace through, or otherwise. It is, when applied to the Belt, confined together by means of screws, (made for the purpose,) so as to hold on to every particle of the Belt, thereby retaining its whole strength. An assortment always on hand.

Also, superior *LACE LEATHER* on hand, and *COPPER RIVETS* with Burrs.

Second and Upper LEATHER of every description constantly on hand, at low prices.

☞ Cash paid for Green or Dry HIDES, or ta- ken in exchange for Boots and Shoes, at Cash prices.
